PROCLAMATION

CONSTITUTION WEEK

September 17 - 23

WHEREAS: The Constitution of the United States of America, the guardian of our liberties, embodies the principles of limited government in a Republic dedicated to rule by law; and

WHEREAS: September 17, 2016, marks the two hundred twenty-ninth anniversary of the framing of the Constitution of the United States of America by the Constitutional Convention; and

WHEREAS: It is fitting and proper to accord official recognition to this magnificent document and its memorable anniversary; and to the patriotic celebrations which will commemorate the occasion; and

WHEREAS: Public Law 915 guarantees the issuing of a proclamation each year by the President of the United States of America designating September 17th through the 23rd as Constitution Week,

NOW, THEREFORE I, Todd Voth by virtue of the authority vested in me as **MAYOR** of the **City of Moses Lake** do hereby proclaim the week of September 17th through 23rd as

CONSTITUTION WEEK

AND ask our citizens to reaffirm the ideals of the Framers of the Constitution had in 1787 by vigilantly protecting the freedoms guaranteed to us through this guardian of our liberties.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Moses Lake to be affixed this 13th day of September of the year of our Lord two thousand and sixteen.

**SIGNED AND SEALED this 13th day of
September, 2016**

**Todd Voth
Mayor, City of Moses Lake**

MOSES LAKE CITY COUNCIL
August 23, 2016

The regular meeting of the Moses Lake City Council was called to order at 7 p.m. by Mayor Voth in the Council Chambers of the Civic Center, 401 S. Balsam, Moses Lake, Washington.

Executive Secretary Sophia Guerrero called the roll. The following were:

Present: Mayor Todd Voth, Deputy Mayor Karen Liebrecht, and Council members Bill Ecret, Don Myers, Mike Norman, and Ryann Leonard

Absent: Council member David Curnel

Action Taken: Mr. Norman moved to excuse Mr. Curnel from the meeting, seconded by Mrs. Leonard, and passed unanimously.

PLEDGE OF ALLEGIANCE: Jordan Russell led the Council in the flag salute.

SUMMARY REPORTS

CERTIFICATE OF ACHIEVEMENT - COLUMBIA BASIN RIVER DOGS

A Certificate of Achievement was presented to members of the Columbia Basin River Dogs as the 2016 Babe Ruth League - Pacific NW Region 2016 Champions.

ADDITIONAL BUSINESS: None

PRESENTATIONS

Fire Department: Firefighter/Paramedics Simon Rillera and Jake Simpson were introduced to the Council, took the oath of office, and received their badge of office.

Letters of commendation and a Fire Department Challenge Coin were presented to Police Offices Juan Loera, Nick Stewart, Jack Dodson, Fire Captain Dave Holle, and Firefighters Todd Eldred, Robert Hecker, Patrick Heeren, Brian Russell, Jake Simpson, Brandon Wertman, and Mike Evans for their actions during a fire on July 3, 2016 which required 24 fire fighting vehicles and nearly 30 firefighters from the City of Moses Lake and Grant County Fire District #5.

Administration: Gilbert Alvarado, Community Development Director/Deputy City Manager, mentioned that John Williams, City Manager, was presented a Washington City Manager's Association Program Excellence Award at the recent Washington City Manager's Association meeting.

Gilbert Alvarado, Community Development Director/Deputy City Manager, also mentioned that he has been appointed to the Board of the Washington City Manager's Association.

CITIZEN'S COMMUNICATIONS - None

CONSENT AGENDA

Minutes: The minutes of the August 9 meeting were presented for approval.

Approval of Claims, Prepaid Claims, Checks, and Payroll: Vouchers audited and certified by the Finance Director as required by RCW 42.24.080, and those expense reimbursement claims, certified as required by RCW 42.24.090, have been recorded on a listing which has been made available to the Council for approval and is retained for public inspection at the Civic Center. As of August 23, 2016 the Council does approve for payment claims in the amount of \$337,303.93; prepaid claims in the amounts of \$51,683.59, \$135,535.50, and \$90,256.04; claim checks in the amount of \$3,051,051.80; and payroll in the amount of \$370,316.44

Resolution - Accept Easement - Grant County: A resolution was presented which accepts an easement from Grant County to allow the City to maintain, operate, repair, replace, and read water and sanitary sewer mains and for testing and flushing private fire hydrants on the Grant County Fairgrounds.

Action Taken: Mrs. Leonard moved that the Consent Agenda be approved, seconded by Mrs. Liebrecht, and passed unanimously.

OLD BUSINESS

ORDINANCE - AMEND 2.44 - PARK AND RECREATION COMMISSION

An ordinance was presented which amends the make up of the Park and Recreation Commission by providing for a youth representative on the Commission.

The ordinance amending Chapter 2.44 of the Moses Lake Municipal Code entitled "Park and Recreation Commission" was read by title only.

Gilbert Alvarado, Community Development Director/Deputy City Manager, gave some background on the proposed change.

There was discussion by the Council.

Action Taken: Mr. Norman moved that the ordinance be adopted, seconded by Mr. Myers, and passed unanimously

ORDINANCE - AMEND GARBAGE COLLECTION RATES

An ordinance was presented which will establish four new rates for the replacement of missing or destroyed carts and increase rates for both commercial and residential accounts. These increases will keep pace with the increase in contractor charges and make the fund solvent.

The ordinance establishing charges for garbage collection was read by title only.

W. Robert Taylor, Finance Director, explained the increases.

There was discussion by the Council.

Action Taken: Mrs. Liebrecht moved that the ordinance be adopted, seconded by Mr. Norman, and passed with Mr. Ecret and Mr. Myers opposed.

NEW BUSINESS

ORDINANCE - AMEND 8.14 - NUISANCES

A draft ordinance was presented which would require property owners of vacant lots to control weeds over the entire lot and within 20' back of the sidewalk on developed lots.

Gilbert Alvarado, Community Development Director/Deputy City Manager, stated that the proposed changes are being presented for consideration by the Council.

Mark Fancher, 301 E. Inglewood, stated that he was representing property owners about weed control on large vacant lots and provided information on the cost of controlling the weeds over the entire area of large lots.

Bob Fancher, 6726 N. Frontage Road E., stated that there are 719 acres of undeveloped land in the City, much of which cannot be mowed because of the terrain, rocks, etc. and disturbing the ground will only increase the amount of weeds. He mentioned that it costs over \$100,000 now to control weeds on their vacant property and additional requirements would only increase the cost.

After considerable discussion it was the consensus of the Council that a field trip be scheduled to view the weed problem.

ORDINANCE - AMEND 17.06 - DEFINITIONS

An ordinance was presented which would add the definitions of "cul-de-sac" and "cul-de-sac bulb" to Chapter 17.06, Definitions.

Gary Harer, Municipal Services Director, explained the reasons for adding the definitions.

ORDINANCE - AMEND 17.24 - IMPROVEMENTS

An ordinance was presented which would consolidate the conditions for City participation for water, sewer, stormwater, and street improvements, and establishes the conditions when a cul-de-sac street may be approved and a temporary cul-de-sac bulb would be allowed.

Gary Harer, Municipal Services Director, explained the proposed changes to Chapter 17.24, Improvements.

There was some discussion by the Council.

BUILD ON UNPLATTED PROPERTY - SAGEBRUSH HOLDING

Lee Gerber, Sagebrush Holding, LLC, requested the reconsideration of a previous Council action allowing him to build on unplatted property but requiring a covenant insuring future infrastructure abutting the site located at 1671 South Frontage Road. Mr. Gerber is requesting that the requirement for a covenant be removed.

Gilbert Alvarado, Community Development Director/Deputy City Manager, gave the background on the site and mentioned that a previous development was allowed but no covenant was required.

There was some discussion and it was the consensus of the Council that the requirement for a covenant be eliminated.

Action Taken: Mr. Ecret moved that the requirement for a covenant be waived and the original resolution be amended, seconded by Mrs. Liebrecht, and passed unanimously.

RESOLUTION - BUILD ON UNPLATTED PROPERTY - MOLITOR

A resolution was presented which would allow Tim and Sarah Molitor to construct a single family dwelling at 3921 W. Peninsula Drive, which is currently unplatted. The Molitors have agreed to begin the platting process.

The resolution allowing Tim and Sarah Molitor to build on unplatted property owned by Molitor Holdings, LLC was read by title only.

Gilbert Alvarado, Community Development Director/Deputy City Manager, provided background information on the request.

Tim Molitor, 4239 Edwards Drive, stated that they would like to begin building prior to the final plat being accepted.

Action Taken: Mr. Ecret moved that the resolution be adopted, seconded by Mr. Norman, and passed unanimously.

POLICE VEHICLES

Kevin Fuhr, Police Chief, requested authorization to purchase two Police vehicles.

Action Taken: Mrs. Leonard moved that staff be authorized to call for bids for two Police vehicles, seconded by Mr. Myers, and passed unanimously.

WINONA LIFT STATION IMPROVEMENTS

The City received four bids for the Winona Lift Station 2016 project. This projects includes updating, modifying, and improving the Winona Lift Station.

Gary Harer, Municipal Services Director, stated that the upgrades to the lift station will reduce the maintenance required on this older facility.

Action Taken: Mrs. Leonard moved that the bid be awarded to Culbert Construction, Inc. In the amount of \$224,037.41, seconded by Mr. Norman, and passed unanimously.

PLATTING DEEMED INSUFFICIENT - 1140 W. BROADWAY

Bill Conley requested permission to construct three storage units on property located at 1140 W. Broadway. The site does not meet current development standards. If the Council approves the request, a covenant for future improvements on the property should be required.

Gilbert Alvarado, Community Development Director, Deputy City Manager, mentioned that property platted years ago was not required to install municipal improvements that are now required with current plats. In order to rectify the deficiencies, staff cannot issue a building permit for improvements on insufficiently platted property unless the properties are brought into conformance with the current codes or the City Council grants a waiver, deferral, or deviation from the requirements to install the deficient plat improvements. He mentioned that if the Council approves a waiver, a covenant for the additional improvements would be required of the owner.

Action Taken: Mr. Ecret moved that the request be granted with the stipulation that a covenant be required for construction of the improvements in the future, seconded by Mr. Voth, and passed unanimously.

COLVILLE CONFEDERATED TRIBES - MUNICIPAL SERVICES AGREEMENT

Gilbert Alvarado, Community Development Director/Deputy City Manager, stated that the Draft Municipal Services Agreement between the City and the Colville Confederated Tribes will cover the services to be provided to the Tribal Trust Land located on Wanapum Drive. This agreement will cover water, sewer, fire, emergency, and police services, and a mechanism to fund those services.

There was some discussion by the Council.

2016 COMPREHENSIVE PLAN - AMENDMENTS - REQUEST FOR DIRECTION

Gilbert Alvarado, Community Development Director, Deputy City Manager, stated that the City is requesting an amendment to the Comprehensive Plan to redesignate property adjacent to the Municipal Airport. The redesignation would allow the property to be used for airport operations. The deadline to submit amendments to the Comprehensive Plan was March 31 and staff is requesting direction from Council on whether or not to proceed with this amendment or include it in the next amendment cycle.

There as discussion by the Council.

Action Taken: Mrs. Leonard moved that the request be granted, seconded by Mr. Norman, and passed unanimously.

ADMINISTRATIVE REPORTSDRIVEWAY DEVIATIONS

Gary Harer, Municipal Services Director, stated that meetings have taken place with the Building Official and the property owners concerning the driveway issue on Central Drive. It is proposed to amend the Municipal Code to allow for the additional driveway while still protecting the integrity of the rest of Central Drive.

COUNCIL COMMUNICATIONS AND REPORTS - None

EXECUTIVE SESSION - None

ADJOURNMENT: The regular meeting was adjourned at 9:07 p.m.

**CITY OF MOSES LAKE
STAFF REPORT**

To: John Williams, City Manager
From: Gary Harer, Municipal Services Director
Date: September 13, 2016
Proceeding Type: Motion
Subject: Abandon Three Easements – Ninth Avenue

Legislative History:

- | | |
|---------------------------------------------------------------------------------------|------------------------------|
| <ul style="list-style-type: none">• First Presentation• Action | September 13, 2016
Motion |
|---------------------------------------------------------------------------------------|------------------------------|

Staff Report Summary

The attached resolution abandons three easements that are for street and utility improvements. The easements will no longer be needed after the Pioneer Meadows Major Plat if filed since there will right-of-way dedicated in the place of the easements. The abandon easement documents will be recorded at the Grant County Auditor's at the same time as the plat.

Background

There are three easements along Ninth Avenue that were given to the City of Moses Lake for street and utility improvements. The easements were needed since the north half of the right-of-way on Ninth Avenue was not dedicated.

Fiscal and Policy Implications

None

Options

Option	Results
• Approve the Resolution	The easements will be abandoned
• Not approve the Resolution	The dedicated right-of-way will overlap the easements

Staff Recommendation

Staff recommends City Council to approve resolution to abandon the three easements.

RESOLUTION NO. 3634

A RESOLUTION AUTHORIZING ABANDONMENT OF EASEMENTS

RECITALS:

1. The City of Moses Slake has requested the abandonment of the easements described as follows:

A portion of the NW ¼ of Sec. 23, T. 19 N., R. 28 E.W.M., Grant County, Washington, described as follows:

Beginning at the NW corner of Lot 42 of Garden Heights 2nd Addition to Moses Lake, Washington, according to the plat thereof, filed in the records of Grant County, Washington; thence N 08°58'45" W a distance of 30.37 feet; thence N 89°58'50" W on a line which is parallel to, and 30 feet from the centerline of 9th Avenue as measured at right angles, a distance of 1174.85 feet, more or less, to the SE corner of Lot 11, Fairbanks-Hull Addition to Moses Lake, as filed in the records of Grant County, Washington; thence S 0°14'30" W a distance of 30 feet, more or less, to the east-west centerline of said Sec. 23; thence S 89°58'50" E along the east-west centerline of said Sec. 23 a distance of 1179.60 feet, more or less, to the True Point of Beginning.

And

That portion of the Northwest Quarter of Section 23, Township 19 North, Range 28 East, W.M. in the City of Moses Lake, Grant County, Washington more particularly described as follows: Commencing at the intersection of Division Street and 9th Avenue (being also the South line of said Northwest Quarter); thence S89°58'57" E along the centerline of 9th Avenue, and said South line of the Northwest Quarter, a distance of 160.00 feet to the Point of Beginning; thence continue S89°58'57"E along said South line and centerline of 9th Avenue, a distance of 227.06 feet; thence N00°00'48"E distance of 30.00 feet; thence N89°58'57"W and parallel with said South line, a distance of 226.92 feet to the Southeast corner of Lot 11 Fairbanks-Hull Addition as vacated by the City of Moses Lake Resolution No. 129; thence S00°17'14" W along the east line of said Fairbanks-Hull Addition a distance of 30.00 feet to the pont of beginning. Containing 6809.7 square feet more of less.

And

All that certain real property situate in the City of Moses Lake, Grant County, Washington, being a portion of the Northwest Quarter of Section 23, Township 19 North, Range 28 East, Willamette Meridian, and being more particularly described as follows:

Beginning Northwest corner of Garden Heights Second Addition, recorded in Volume 6 of Plats, Page 10, Grant County Records, said point being on the South line of the Northwest Quarter of said Section 23, hereinabove described; thence from said point of beginning along the North line of said Garden Heights Second Addition, South 89°58'57" East 46.61 feet to the True Point of Beginning of this description; thence continuing along said North line, South 89°58'57" East, 141.05 feet; thence leaving said North line, North 00°00'48" East 30.00 feet to a line parallel with, and 30.00 feet Northerly of, beginning measured at right angles to, the said North line of Garden Heights Second Addition; thence along said parallel line, North 89°58'57" West 141.05 feet; thence leaving said parallel line, South 00°00'48" West 30.00 feet to the said true point of beginning of this description, containing 4,232 square feet of land, more or less.

2. Potential users of the easements were not notified of the proposed abandonments since the existing easements are being changed to right-of-way.

RESOLVED:

1. The City Council of the City of Moses Lake does resolve that the easements described above will be abandoned and that the City Manager is authorized to execute the necessary documents in order to accomplish that abandonment.

Adopted by the City Council on September 13, 2016.

CITY OF MOSES LAKE
STAFF REPORT

To: John Williams, City Manager
From: Gary Harer, Municipal Services Director
Date: September 13, 2016
Proceeding Type: MOTION
Subject: Resolution - Accept Street and Utility Improvements – Pioneer Meadows Major Plat

Legislative History:

- | | |
|----------------------|--------------------|
| • First Presentation | September 13, 2016 |
| • Action | Motion |
-

Staff Report Summary

The street and utility improvements constructed to serve the Pioneer Meadows Major Plat are complete and ready to be accepted by City Council.

Background

The platting regulations require all the street and utility improvements installed in right-of-way and municipal easements to be accepted by City Council or bonded for prior to recording the plat and issuing building permits. The construction plans are required to be reviewed and approved by the City prior to construction. All the construction work is inspected to assure compliance with the construction plans and city standards.

Fiscal and Policy Implications

The city will be responsible for the maintenance and repairs of the improvements after they are accepted.

Options

Option	Results
<ul style="list-style-type: none">• Approve a motion to accept the project.	The developer will be able to record the plat.
<ul style="list-style-type: none">• Take no action.	The developer will not be able to record the plat.

Staff Recommendation

Staff recommends City Council to accept the street and utility improvements for the Pioneer Meadows Major Plat

RESOLUTION NO. 3635

**A RESOLUTION ACCEPTING STREET AND UTILITY IMPROVEMENTS FOR
MUNICIPAL USE AS PART OF PIONEER MEADOWS MAJOR PLAT**

Recitals:

1. Street and Utility improvements, lying in dedicated right-of-way or easements, are in place and connected to the City of Moses Lake's street and utility systems as part of Pioneer Meadows Major Plat
2. Said street and utility improvements have been installed in accordance with the City of Moses Lake's Community Standards, such facilities being completed in September 2016.
3. RCW 35.91.030 indicates that public street and utility facilities, which are developer installed should be accepted by the City of Moses Lake upon completion if the facilities are built to city standards.

Resolved:

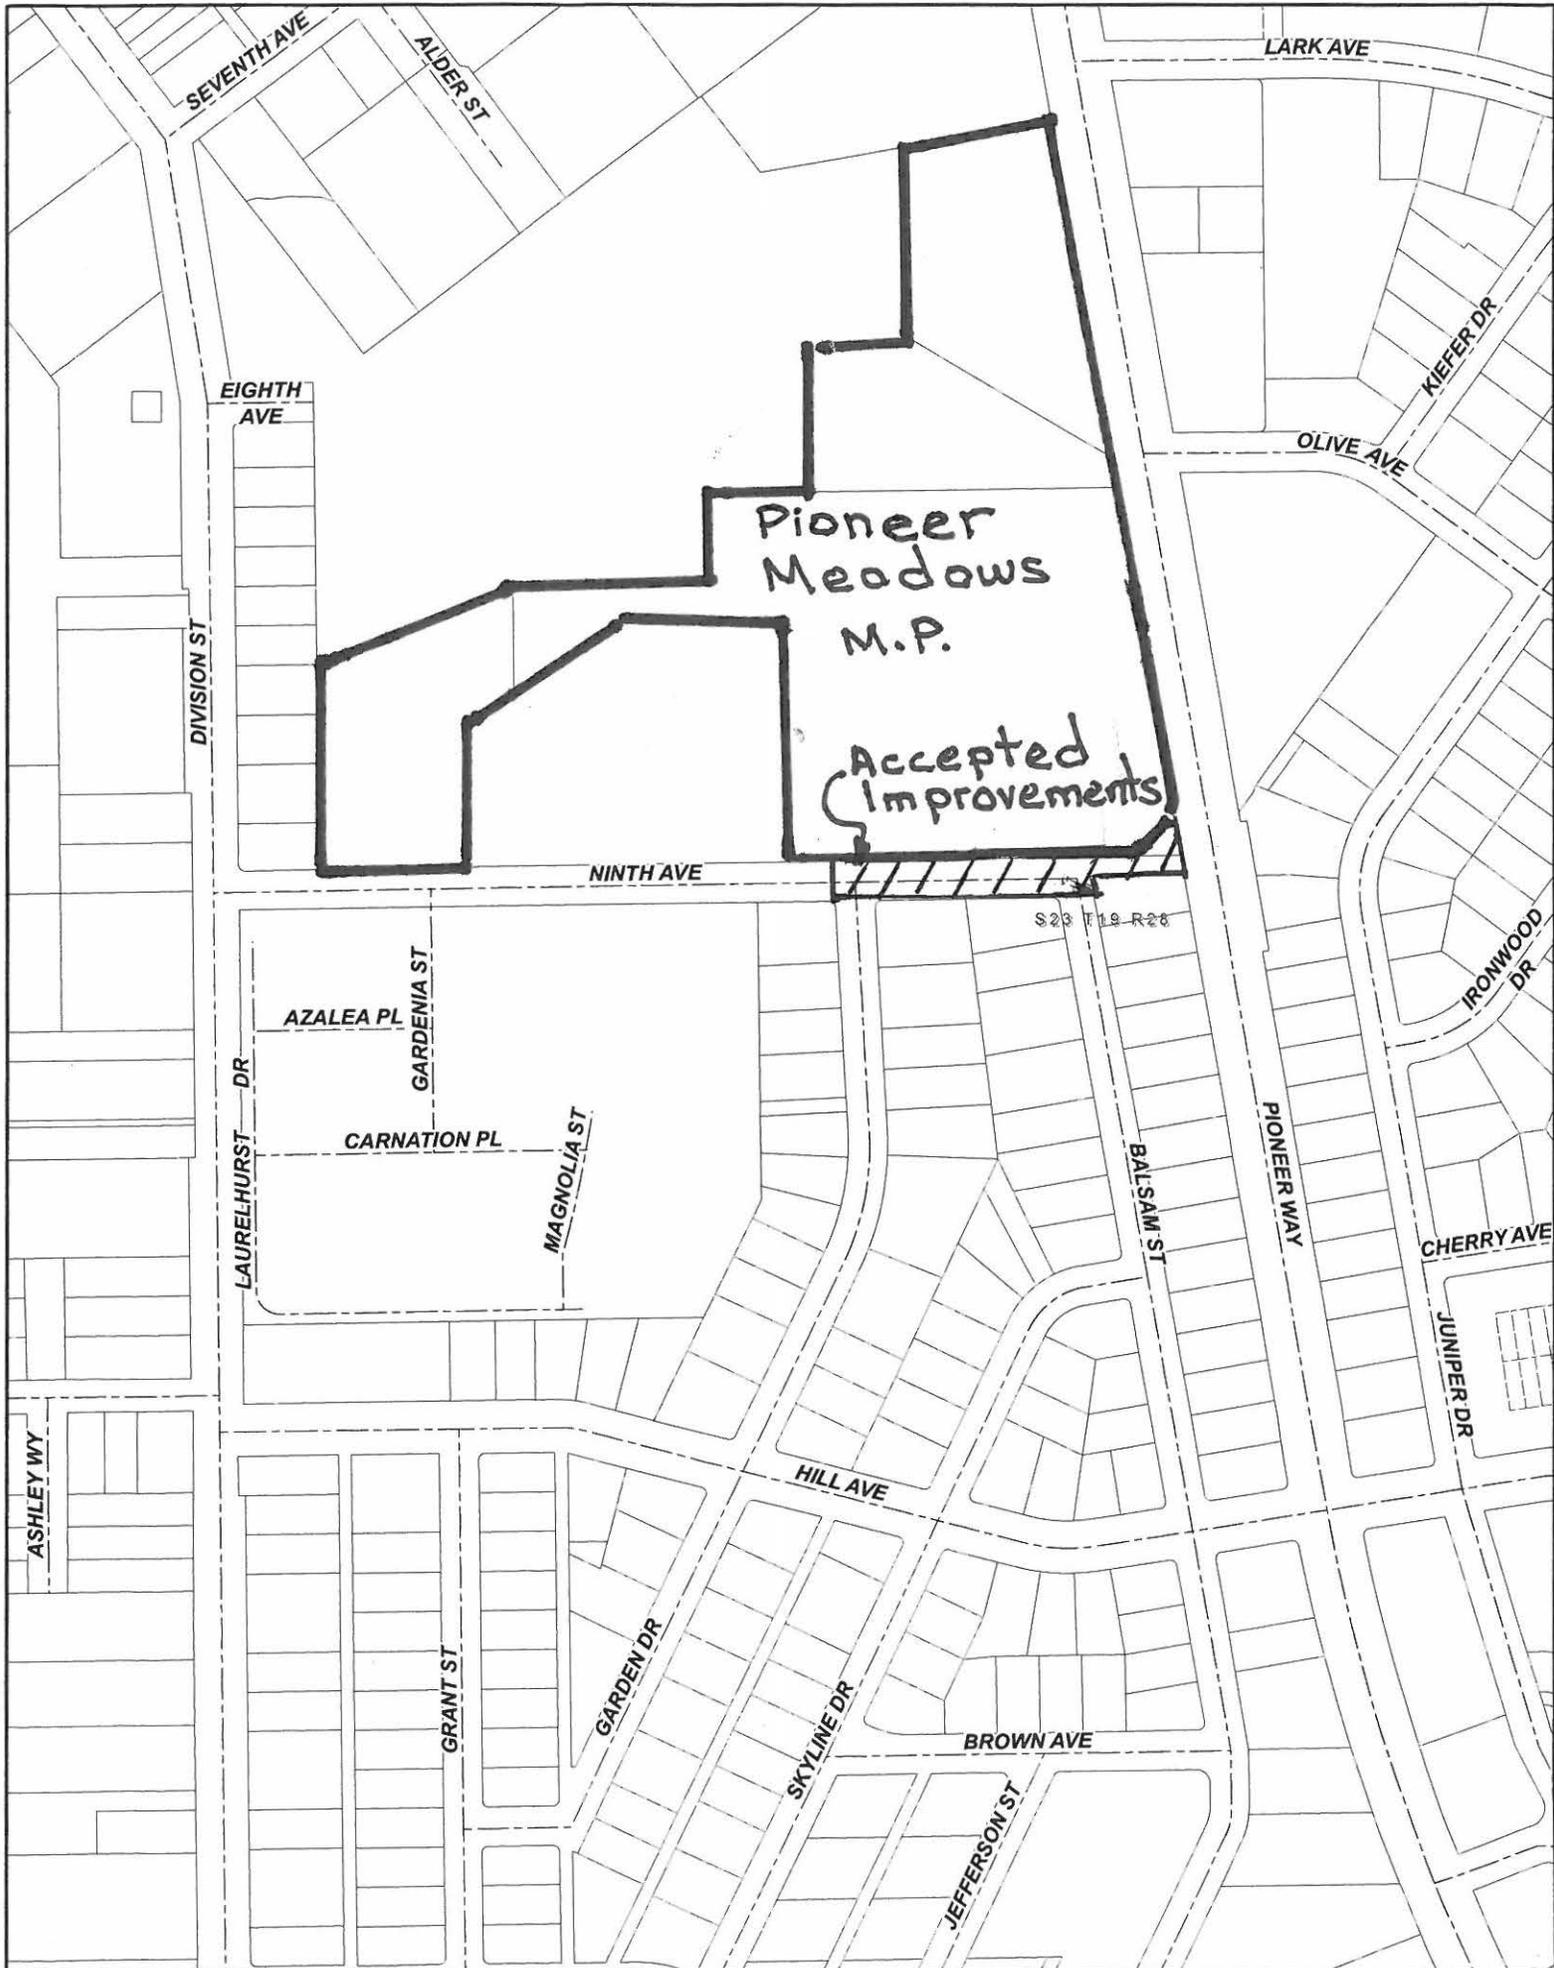

1. The City Council of the City of Moses Lake accepts the street and utility improvements as facilities of the City of Moses Lake and as such will charge for use of facilities as authorized by ordinance.
2. After September 13th, 2018, all further maintenance and operation cost of said street and utility improvements, shall be borne by the City of Moses Lake, as provided by city ordinance.

ACCEPTED by the City Council on September 13th, 2016.

Todd Voth, Mayor

**CITY OF MOSES LAKE
STAFF REPORT**

To: John Williams, City Manager
From: Gilbert Alvarado, Community Dev Dir / Deputy City Manager
Date: September 13, 2016
Proceeding Type: Motion
Subject: Shoreline Master Program Update – Conditional Approval

Legislative History:

• First Presentation:	July 12, 2016
• Second presentation:	September 13, 2016
• Action:	Motion

Staff Report Summary

At the July 12, 2016 regular City Council meeting, staff provided the Council with a letter from the Washington State Department of Ecology (DOE), giving the City of Moses Lake notice of their intent to conditionally adopt the Moses Lake Shoreline Master Program (SMP). This letter detailed two options. The Council discussed the two options available which are: 1) agree to the DOE changes as drafted or; 2) submit and alternate proposal. The City Council directed staff to notify the DOE of their intent to submit an alternate proposal.

To date there has been no alternate proposal submitted to DOE. It was the Council's direction to meet with DOE staff prior to taking any further action. The Mayor, Councilmember Leonard along with city staff have met with DOE to go over the recommendations of their conditional approval. The results of that meeting have yet to be discussed with the full Council.

Background:

The City of Moses Lake is obligated under State statute to adopt a SMP that is compliant with amended Shoreline Management Act. The City Council has reviewed the Draft SMP and made recommendation to DOE. The DOE did not fully accept the recommendations as presented and offered changes that they felt are compliant with the Shoreline Management Act.

Fiscal and Policy Implications

If the City Council is to consider an alternate SMP proposal as provided by the process of SMP adoption, the Council will need to consider an outside source for assistance. Staff is not in a position to address DOE’s concerns given the complexity of the issues.

Historically, the City has hired a consulting firm to assist with development of the Cumulative Impact Analysis (CIA) as required. It was the CIA work that used to develop the wetlands buffer language that DOE has taken exception to in terms of compliance with the Shoreline Management Act.

Options

<i>Option</i>	<i>Results</i>
<ul style="list-style-type: none"><i>Accept the DOE proposed changes to the Moses Lake SMP</i>	<i>Adoption of the SMP moves forward to DOE for signature and codification.</i>
<ul style="list-style-type: none"><i>Provide DOE with alternate SMP proposal for their review</i>	<i>Continued SMP adoption and fiscal impacts to the General Fund</i>

Staff Recommendation

Staff is requesting direction on the Alternate Shoreline Master Program submittal. The Council may wish to provide direction to Staff on how to proceed.

Staff Report Summary

Attached is an Ordinance amending Moses Lake Municipal Code 17.06 Entitled “Definitions”. The amendment adds a definition for a Cul-de-sac and a Cul-de-sac bulb. Furthermore, it amends the definition for a short plat, as recommended by the City Attorney and the Community Development Department.

Background

A cul-de-sac is often referred as the cul-de-sac bulb instead of the type of street, which often becomes confusing. The definitions are from the Webster dictionary. There is a detail for a temporary cul-de-sac in the City’s Community Street and Utility Standards.

Fiscal and Policy Implications

None

Options

Option	Results
• Approve the ordinance	Clarifies the definitions
• Take no action.	MLMC 17.06 will remain the same

Staff Recommendation

Staff recommends the Council to approve the attached ordinance.

Staff Report Summary

Attached is an Ordinance amending Moses Lake Municipal Code (MLMC) 17.24 Entitled “Improvements”. The main changes include:

- Consolidating the conditions for city participation for water, sewer, stormwater, and street improvements by adding them to MLMC 17.24.020.
- The conditions when cul-de-sac streets may be approved.
- The conditions when a temporary cul-de-sac bulb is allowed.

Background

The Planning Commission requested staff to amend MLMC 17.24 to allow temporary cul-de-sacs, under certain conditions, without requesting a deviation. Staff took the opportunity to propose additional changes to clarify the requirements within this code

ORDINANCE NO. 2823

AN ORDINANCE AMENDING CHAPTER 17.24 OF THE MOSES LAKE MUNICIPAL CODE ENTITLED "IMPROVEMENTS"

THE CITY COUNCIL OF THE CITY OF MOSES LAKE, WASHINGTON ORDAINS AS FOLLOWS:

Section 1. Chapter 17.24 of the Moses Lake Municipal Code entitled "Improvements" is amended as follows:

17.24.020 City Participation:

- A. The City may participate in the cost of street improvements and over-sizing municipal utility improvements that are not required of the applicant. Examples of these types of improvements include one-half street improvements, over sizing municipal utility mains and lift stations, street extensions, activity trails, stormwater improvements, and extensions of municipal utilities. The City will reimburse the owner of the subdivision for the agreed cost for the additional street and municipal utility improvements after the construction is complete and accepted by the City Council. No approval is authorized by the City unless a written approval for the reimbursement by the City is sent to the owner of the Subdivision prior to construction.
- B. This chapter shall not be construed to establish an affirmative obligation upon the City to participate in any project. The City's participation is limited by the funds available, priority of projects throughout the City, and the desirability of a particular project.

17.24.030 Streets:

- A. ~~All streets within right-of-way that are dedicated on a plat, and adjacent streets within existing right-of-way that are not serviced and maintained by the City, shall be constructed by the applicant for the full-width, from back-of-sidewalk to back-of-sidewalk, to current Community Street and Utility Standards. Where the subdivision is adjacent to streets that are serviced and maintained by the City, the applicant will only be required to improve the portion of the street on the subdivision side of the centerline to current Community Street and Utility Standards. The applicant is responsible for constructing all the streets within the subdivision full width, and all the streets adjacent to the subdivision half width. Except, the applicant shall be responsible for constructing the adjacent streets full width if the City determines that the use within the subdivision requires full width streets.~~
- B. ~~The City may negotiate with the owner of the subdivision to install street improvements beyond the subdivision, which improvements will connect existing improved streets to the owner's subdivision; or to improve existing streets that are maintained and serviced by the City; within or adjacent to the owner's subdivision. All negotiated reimbursements for additional street improvements will be paid to the applicant after the project is complete and accepted by City Council. No approval for reimbursement is authorized by the City unless a written approval by the City for said reimbursement is sent to the owner of the subdivision prior to construction. Cul-de-sacs may be approved when they do not hinder the connectivity of streets in the surrounding neighborhoods. Where cul-de-sacs are approved, they shall terminate in a cul-de-sac bulb unless they meet all the following criteria:~~
1. No more than one lot has sole access from the cul-de-sac.
 2. The end of the street right-of-way terminates at the plat boundary.
 3. The adjacent property is not platted.
 4. The street should continue through the adjacent property when it is developed.

5. The length of the cul-de-sac is less than 175 feet.
 6. An end of roadway barricade is installed at the end of the cul-de-sac.
- C. Temporary cul-de-sac bulbs, in lieu of a permanent cul-de-sac bulb, are allowed to be constructed when all the following criteria are met:
1. The street is expected to be extended within the next five years.
 2. The developer signs a covenant to construct a permanent cul-de-sac in five years.
 3. The design for the permanent cul-de-sac bulb is included in the street construction plans.
 4. The right-of-way required for a permanent cul-de-sac and bulb is dedicated to the City on the plat.

17.24.040 Water Mains:

- A. The applicant shall install water main improvements for the full length of all streets within and adjacent to the subdivision, unless the Municipal Services Director determines that the additional water main provides no additional benefit.
- ~~B. The City may negotiate with the owner of the subdivision to install water mains larger than required by the Community Street and Utility Standards, to implement the development of the Comprehensive Plan for trunk mains to serve areas other than the owner's subdivision. The City will negotiate the installation of oversized water main and reimburse the owner of the subdivision for the additional cost for the larger water main after construction is complete and accepted by the City Council. No approval is authorized by the City unless a written approval for reimbursement by the City is sent to the owner of the subdivision prior to construction. Fire hydrants are not required to be installed when water mains are installed through or adjacent to property other than the proposed subdivision.~~
- ~~C. When water mains are installed through or adjacent to property other than the proposed subdivision, fire hydrants are not required except within the proposed subdivision.~~

17.24.050 Sewer Mains:

- A. The applicant shall install sewer main improvements for the full length of streets within and adjacent to the subdivision, unless the Municipal Services Director determines that the additional sewer main provides no additional benefit.
- ~~B. The City may negotiate with the owner of the subdivision to install sewer mains, lift stations, and force mains larger than required by the Community Street and Utility Standards, to implement the development of the Comprehensive Plan for sewer service to areas other than the subdivision. The City will negotiate the installation of oversized sewer mains, lift stations, and force mains, and reimburse the owner of the subdivision for the additional cost for the larger sewer mains, lift stations, and force mains after construction is complete and accepted by the City Council. No approval is authorized by the City unless a written approval for reimbursement by the City is sent to the owner of the subdivision prior to construction.~~

17.24.060 Storm Drainage:

- A. All drainage in and through the subdivision shall be the responsibility of the applicant. Since stormwater is part of the street improvements, the applicant shall install the stormwater improvements in accordance with MLMC 17.24.030.A

B. The City Engineer may approve plans submitted by the applicant's engineer to divert or enclose natural drainage in and through the subdivision. The applicant shall bear all costs associated with diverting or enclosing natural drainage.

C. All storm drainage in City streets shall drain from the asphalt to concrete gutters, then to approved stormwater structures such as catch basins and drywells. All stormwater between stormwater structures shall be in underground pipes.

~~D. The City may require the applicant to install street drainage facilities that are over and above the subdivision requirements, to provide for storm sewer service to areas other than the subdivision. The City will negotiate the installation of additional street drainage facilities, and reimburse the owner of the subdivision for the additional cost after construction is complete and accepted by the City Council. No approval is authorized by the City unless a written approval for reimbursement by the city is sent to the owner of the subdivision prior to construction.~~

~~DE. Washington State Department of Ecology approval is required for all stormwater facilities before construction plans will be approved.~~

~~17.24.080 Activity Trails and Pedestrian Paths: The City may negotiate with the owner of the subdivision to install activity trails or pedestrian paths beyond the subdivision, which trails or paths will connect to existing activity trails, pedestrian paths, and sidewalks beyond the subdivision. All negotiated reimbursements for additional activity trails or pedestrian paths will be paid to the owner of the subdivision after the project is completed and accepted by City Council. No approval for reimbursement is authorized by the City unless a written approval by the City for said reimbursement is sent to the owner of the subdivision prior to construction. Pedestrian Paths and Activity Trails: Pedestrian paths and activity trails shall be constructed in accordance with MLMC 17.21.040.~~

17.24.100 Construction Plans:

A. Construction plans ~~are required~~ shall to be submitted by the applicant and approved by the Municipal Services Director prior to construction.

B. Preliminary construction plan sets shall consist of three (3) complete sets.

C. All construction plans shall be stamped by a professional engineer. The plans shall show all required improvements.

D. A plan check fee shall be due when the three (3) sets of preliminary construction plans are submitted to the Municipal Services Department, in accordance with Chapter 3.54.

E. Sheet size shall be twenty-four inches (24") by thirty-six inches (36") and shall have a border of one inch (1") on the left margin and one half inch (½") on the remaining three margins. The scale shall be five feet (5') vertically and forty feet (40') horizontally.

F. Plans shall show locations of all improvements with respect to the centerline stationing of the streets. Vertical and horizontal alignment shall be shown for all improvements.

G. Approved construction plans will be returned to the applicant after the plans are acceptable by the Municipal Services Director, and after the applicant provides two (2) full sets of acceptable construction plans on permanent reproducible mylar.

H. The Municipal Services Director may approve deviations to the requirements for construction plans.

Section 2. This ordinance shall take effect and be in force five (5) days after its passage and publication of its summary as provided by law.

Adopted by the City Council and signed by its Mayor on September 13, 2016.

From: Gilbert Alvarado, Community Dev. Dir. /Deputy City Manager
Date: September 13, 2016
Proceeding Type: Consideration
Subject: Ordinance - Amending MLMC Chapter 5.07 Mobile & Street Food Vendors

Legislative History:

• First Presentation:	September 13, 2016
• Second presentation:	
• Action:	Motion

Staff Report Summary

Recently City Council and staff have received complaints with regards to some of the mobile food vendors and how they conduct business. Specifically how the vehicles, other conveyances and temporary stands are left on-site overnight. Attached is an Ordinance amending MLMC 5.07, entitled Mobile and Street Food Vendors which requires all conveyances to be removed from the occupied property at the end of the business day.

Background:

The City Council adopted new regulations for mobile food vendors in 2015 in order to make them more consistent with current practices around the State with this industry. The former regulations had been in place for 21 years and were in need of some revisions. One revision that occurred that was different from the original 1994 Ordinance was that there was now no requirement to remove the conveyances at the end of the business day.

Fiscal and Policy Implications

Amendments to MLMC 5.07, Mobile and Street Food Vendors would not result in additional review or case load for Code Enforcement.

Options

<i>Option</i>	<i>Results</i>
<ul style="list-style-type: none"><i>Consider and approve the proposed amendments to MLMC 5.07</i>	Vehicles, other conveyances and temporary stands to be removed from the property at the end of the business day.
<ul style="list-style-type: none"><i>Take no action</i>	No changes to MLMC 5.07 that would require vehicles, other conveyances and temporary stands to be removed from the property at the end of the business day.

Staff Recommendation

Staff recommends that the City Council consider the proposed amendment and provide direction to staff on how to proceed.

AN ORDINANCE AMENDING CHAPTER 5.07 OF THE MOSES LAKE MUNICIPAL CODE ENTITLED "BUSINESS LICENSES AND REGULATIONS"

THE CITY COUNCIL OF THE CITY OF MOSES LAKE, WASHINGTON ORDAINS AS FOLLOWS:

Section 1. Chapter 5.07 of the Moses Lake Municipal Code entitled "Business Licenses and Regulations" is amended as follows:

5.07.090 Mobile and Street Vendor Standards: All mobile and street vendors licensed under this chapter shall conform to the following standards:

- A. No mobile or street vendor shall operate from one (1) location in a residential zone as defined in Title 18 of the Moses Lake Municipal Code for longer than fifteen (15) minutes at a time.
- B. No mobile or street vendor shall locate his or her vehicle or conveyance in that portion of public right of way abutting private property without the written permission of the owner of the abutting private property. No food shall be offered, displayed, or sold, and no customers served, in any vehicle travel lane. A temporary stand shall not be located within twenty feet (20') of any public right-of-way or within twenty feet (20') of the intersection of any public right-of-way and private driveway.
- C. No signs or signage shall be permitted other than that which can be contained on the vehicle or conveyance utilized or as otherwise allowed.
- D. No vehicle, other conveyance or temporary stand shall be located closer than twenty feet (20') from any building or structure.
- E. No vehicle, other conveyance or temporary stand shall locate closer than fifty feet (50') from flammable combustible liquid or gas storage and dispensing structures.
- F. All mobile and street vendors shall have at least one (1) adequately sized garbage receptacle upon the site of business or on the vehicle or conveyance for customer use.
- G. Sites used by mobile or street vendors shall be cleaned of all debris, trash, and litter at the conclusion of daily business activities.
- H. All vehicles, other conveyances, or temporary stands shall be equipped with at least one 2A-40 BC fire extinguisher.
- I. No mobile or street vendor shall sell or vend from his or her vehicle or conveyance:

1. Within four hundred feet (400') of any public or private school grounds during the hours of regular school session, classes, or school related events in said public or private school, except when authorized by said school.
 2. Within one hundred fifty feet (150') of the entrance to any restaurant, café, or eating establishment during business hours of the eating establishment, unless the eating establishment has provided written permission to the vendor to locate closer. The vendor shall produce the written permission for inspection if required to do so by any authorized City official.
 3. Within three hundred feet (300') of any public park of the City where any City authorized concession stand is located during times other than during the course of a public celebration except as approved by the Parks and Recreation Department of the City.
 4. Within three hundred feet (300') of any public park of the City where any City authorized concession stand is located during the course of a public celebration when non-profit organizations are permitted to engage in the sale of merchandise and food in such park.
 5. Within three hundred feet (300') of any public park or other public space during a special event for which organizations are permitted to sell merchandise and/or food in the park or public space for a fee, unless the mobile or street vendor obtains written permission from the coordinator of the event.
- J. No mobile or street vendor shall conduct business so as to violate the traffic and sidewalk ordinances of the City as now in effect or hereafter amended.
- K. No mobile or street vendor shall obstruct or cause to be obstructed the passage of any sidewalk, street, avenue, alley or any other public place, by causing people to congregate at or near the place where goods, wares, food, or merchandise of any kind is being sold or offered for sale.
- L. All vehicles, other conveyances, or temporary stands shall be removed daily at the close of business.

Section 2. This ordinance shall take effect and be in force five (5) days after its passage and publication of its summary as provided by law.

Adopted by the City Council and signed by its Mayor on September 27, 2016.

CITY OF MOSES LAKE

STAFF REPORT

To: John Williams, City Manager
From: Gary Harer, Municipal Services Director
Date: September 13, 2016
Proceeding Type: Consideration
Subject: Ordinance – Amend MLMC Chapter 12.10 – Driveway Access Control Standards

Legislative History:

• First Presentation	August 23, 2016
• Second Presentation	September 13, 2016
• Action	Consideration

Staff Report Summary

Kevin Richards, Western Pacific Engineering & Surveying, the adjoining property owner, and I have met several times and have agreed to the changed wordage in the attached ordinance that amends Moses Lake Municipal Code 12.10 entitled “Driveway Access Control Standards”. This amendment will allow the driveways that Kevin Richard’s client desires. The owner of the binding site plan property has agreed to give the adjacent property owner an access easement and the adjacent property owner has agreed to remove his driveway as shown on the attached map. The attached map also shows all the existing driveways, and potential driveways that could be constructed if Central Driveway was removed from MLMC 10.12.035.

Background

Kevin Richards, Western Pacific Engineering, requested a deviation to allow an additional driveway on Central Drive to serve the S.L. & A Binding Site Plan, Block 1, S.L. & A Major Plat at the July 26 City Council meeting. After discussion, the City Council requested staff to bring back Moses Lake Municipal Code 12.10 entitled “Drive Access Control Standards” with Central Drive stricken out of Section 12.10.035. Mr.

Richards and staff agree that the ordinance that is presented has greater benefit for the City. Moses Lake Municipal Code 12.10.035 was created to restrict the number of driveways on high traffic streets in order to improve the safety for motorists and pedestrians, and to assure that future streets will not have the number of driveways as Stratford Road.

Fiscal and Policy Implications

None

Options

Option	Results
<ul style="list-style-type: none"> Approve the ordinance 	Additional driveways will be allowed for the S.L. & A Binding Site Plan
<ul style="list-style-type: none"> Do not approve the ordinance 	Staff will bring back an alternative Ordinance

Staff Recommendation

Staff recommends City Council to consider approving the recommended changes to amend Moses Lake Municipal Code Chapter 12.10.

AN ORDINANCE AMENDING CHAPTER 12.10 OF THE MOSES LAKE MUNICIPAL CODE ENTITLED "DRIVEWAY ACCESS CONTROL STANDARDS"

THE CITY COUNCIL OF THE CITY OF MOSES LAKE, WASHINGTON ORDAINS AS FOLLOWS:

Section 1. Chapter 12.10 of the Moses Lake Municipal Code entitled "Driveway Access Control Standards" is amended as follows:

12.10.035 Restricted Access Control Locations: Driveways are restricted as listed on the following streets:

- A. Valley Road: Crestview Drive to Stratford Road. No additional driveways are allowed.
- B. Yonezawa Boulevard: Division Street to SR-17. No additional driveways are allowed.
- C. Central Drive: North of Valley Road to Grape Drive. Additional driveways may be approved by the Municipal Services Director provided that the centerline of the proposed driveway lines up with the centerline of an existing driveway on the opposite side of Central Drive and that no part of the center landscaping planter is removed. ~~No additional driveways are allowed.~~
- CD. East Third Avenue: Block Street to East Broadway Avenue. No additional driveways are allowed.
- DE. Division Street: Nelson Road to the south corporate limits. No additional driveways are allowed for single family residential units.
- EF. Wheeler Road: SR-17 to the easterly city limits, and Clover Drive: Yonezawa Boulevard to Pioneer Way. Approval of access locations will be subject to the following criteria:
 - 1. Common driveways shall be used wherever possible.
 - 2. No more than one (1) driveway per platted lot or tax parcel will be allowed unless it is shown that an additional access point would not adversely affect traffic flows or create a safety hazard. A common driveway counts as the one (1) driveway for each of the lots that it serves.
 - 3. The minimum distance between driveways shall be two hundred and fifty feet (250') from centerline to centerline, except when affected lot widths are less than one hundred twenty five feet (125').

Section 2. This ordinance shall take effect and be in force five (5) days after its passage and publication of its summary as provided by law.

Adopted by the City Council and signed by its Mayor on September 27, 2016.

Staff Report Summary

GTA requests a deviation for driveway setbacks as shown on the attached map. The GTA Intermodel Center is an atypical use of the property with two one-way lanes for the buses and two parking areas.

Background

Moses Lake Municipal Code 12.10 entitled Driveway Access Control Standards require driveways to be setback 20 feet from property lines and 60 feet from adjacent driveways.

Fiscal and Policy Implications

None

Options

Option	Results
• Approve GTA's request for the deviations	GTA can construct their intermodal center as planned
• Not approve GTA's request for the deviations	GTA will need to modify their plans

Staff Recommendation

Staff recommends City Council to approve GTA's request to allow the driveway locations shown on the attached map.

CITY OF MOSES LAKE

STAFF REPORT

To: John Williams, City Manager
From: Gary Harer, Municipal Services Director
Date: September 13, 2016
Proceeding Type: Motion
Subject: Amend 2016 Community Street and Utility Standards

Legislative History:

- | | |
|----------------------|--------------------|
| • First Presentation | September 13, 2016 |
| • Action | Motion |

Staff Report Summary

Staff has updated the 2014 Community Street and Utility Standards to correspond with the 2016 Washington State Department of Transportation's Construction Specifications. Furthermore, staff made the following substantial changes in addition to our typical updates:

1. Insurance requirements have been added.
2. Television inspection will be required from the develop for sewer mains and stormwater main before they will be accepted by the City.
3. City logo is required for all water services, sewer and stormwater manhole lids that are maintained by the City.
4. Curb ramps require 6 inches of concrete.

Background

All construction within City Right-of-way and easements and extensions of private water and sewer mains must comply with the Washington State Department's Standard Specifications for Road, Bridge and Municipal Construction *as amended* by the City's Community Street and Utility Standards.

Fiscal and Policy Implications

None

Options

Option	Results
<ul style="list-style-type: none">Approve a motion to adopt the 2016 Community Street and Utility Standards	The 2016 Community Street and Utility Standards will be used.
<ul style="list-style-type: none">Do not approve a motion to adopt the 2016 Community Street and Utility Standards	The 2014 Community Street and Utility Standards will be used.

Staff Recommendation

Staff recommends City Council to approve the 2016 Community Street and Utility Standards

Attachments

A.	None The proposed 2016 Community Street and Utility Standards, and the Washington State Standard Specifications for Road, Bridge and Municipal Construction are available at the Engineer's counter in the City Annex.

**CITY OF MOSES LAKE
STAFF REPORT**

To: John Williams, City Manager
From: Gary Harer, Municipal Services Director
Date: September 13, 2016
Proceeding Type: Motion
Subject: Request To Award Larson Water Meter Project - 2016

Legislative History:

- | | |
|----------------------|--------------------|
| • First Presentation | September 13, 2016 |
| • Action | Motion |
-

Staff Report Summary

On September 7th staff opened bids for the Larson Water Meter Project – 2016 project. The City received eight (8) bids for the work. The bids ranged from \$247,841 to \$346,599. The Engineer's Estimate is \$285,935.

Background

The 2016 budget includes \$350,000 for completing improvements to the water system in the Larson area. This project will replace the galvanized standpipes, meter tiles and lids at 81 water services with materials that meet current community standards.

The City has successfully worked with Culbert Construction out of Pasco in the past and they were just recently awarded the Winona Lift Station project.

Fiscal and Policy Implications

The project will require budgeted funds to be spent.

Options

Option	Results
<ul style="list-style-type: none">• Approve a motion to award the Larson Water Meter Project – 2016.	Staff will move forward with executing a contract with the low bidder to complete the work.
<ul style="list-style-type: none">• Take no action.	Staff will stop working on this project and wait for further direction from City council.

Staff Recommendation

Staff recommends awarding the Larson Water Meter Project – 2016 to Culbert Construction, Inc., in the amount of \$247,841.00.
