VISITORS: NONE

IN ATTENDANCE: Darel Fuller                      Todd Voth  
                         Delone Krueger                      Tom Dent  
                         Richard Pearce                      Lew Mason

MINUTES of July 10, 2015 meeting approved unanimously.

OLD BUSINESS

A: OPERATIONS BLDG PAINT & STORAGE BLDG: In past meetings, there was discussion to tear down the existing storage bldg. and build a new building. It was decided by all to keep the existing storage building. Continued discussion on painting the operations building.

B: WEED CONTROL: Tom Dent purchased chemicals for weed sprayer. Darel Fuller completed 10 hours of mowing with the new mower. Works great.

C: AIRPORT EQUIPMENT BUILDING STUDY: There was some talk about renting a building for storage versus building a new structure. Continue discussion on this topic.

NEW BUSINESS

A: 2016 BUDGET: Airport Aid Application - T.O. Engineering has applied for this grant. The City's portion, if the grant is accepted, is 5% of the estimated \$29,000.00 project.

B: ROTATING BEACON BULBS & THRESHOLD LENSES: Darel Fuller ordered extra bulbs and changed out the bad bulbs. Also, some of the glass lenses of the runway threshold lights were broken. Darel Fuller will order new ones.

C: OTHER: Darel Fuller is still working on wind tee repair. The Commission would like to consider allowing airport volunteers to run the mower. Mosquito control has offered to help as well as Jackson Aviation.
