AIRPORT INSPECTION:

The airport inspection was done by Lew Mason. May inspection will be done by Darel Fuller.

OLD BUSINESS

- A. Crack Seal Update was presented by Lew Mason. Crack Seal looks good and ready for overlay. Lew also mentioned that the N.T.A. (Notice to Airmen) phone no. was wrong and needed to be corrected. Also, the N.T.A list needs to be updated.
- B. Report by Tom Dent – weed spraying has begun and will be spraying around hangars soon.

NEW BUSINESS

- A. Finance Director, Robert Taylor, gave the Quarterly Financial Report.
- B. Tom Dent gave an update on the fuel service at the Airport. It is up and running and fuel will be delivered soon. The name of the fuel service is Crosswind Aviation.
- C. There was some discussion on the west airport property with regard to weed control and dust control (mowing is an option)
- D. There was some discussion about fuel storage and fuel security. This is an ongoing problem.
