

ORDINANCE NO. 2568

AN ORDINANCE AMENDING CHAPTER 13.02 OF THE MOSES LAKE MUNICIPAL CODE ENTITLED "STORMWATER ILLICIT DISCHARGE DETECTION AND ELIMINATION"

THE CITY COUNCIL OF THE CITY OF MOSES LAKE, WASHINGTON ORDAINS AS FOLLOWS:

Section 1. Chapter 13.02 of the Moses Lake Municipal Code entitled "Stormwater Illicit Discharge Detection and Elimination" is amended as follows:

13.02.040 Conditional Non-stormwater Discharges: The following non-stormwater discharges to the City's stormwater system are allowed provided that the non-stormwater discharge does not exceed the capacity of the City's stormwater system.

- A. Non-stormwater discharge permitted under an NPDES permit issued by the Department of Ecology.
- B. Water from potable sources, including water main flushing, hyper-chlorinated water main flushing, fire hydrant system flushing, and water main hydrostatic test water; provided that the water is de-chlorinated to a concentration of 0.1 ppm or less, the pH is from 6 to 11, and the velocity is controlled to prevent resuspension of sediments.
- C. Swimming pool discharges provided that the water is de-chlorinated to a concentration of 0.1 ppm or less, the pH is from 6 to 11, and the velocity is controlled to prevent resuspension of sediments.
- D. Street and sidewalk wash water from a potable supply, provided that debris from the streets and sidewalks is swept and removed prior to washing the streets.

13.02.070 Best Management Practices (BMPs): All property owners shall provide reasonable protection from accidental discharge of prohibited material into the City's stormwater system through the use of structural and nonstructural BMPs listed and described in the Stormwater Management Manual for Eastern Washington.

13.02.080 Notification of Spills: The property owner shall take the following steps upon discovery or notification of suspected illicit discharges from their property into the stormwater system or Moses Lake.

- A. Act to ensure the discovery, containment, and cleanup of the discharge.
- B. For hazardous materials, immediately notify emergency dispatch service at 911, and the City's Stormwater Program Manager at City Hall.
- C. For nonhazardous materials immediately notify the City's Stormwater Program Manager at City Hall.

Section 2. This ordinance shall take effect and be in force five (5) days after its passage and publication of its summary as provided by law.

Adopted by the City Council and signed by its Mayor on July 12, 2010.
