

ORDINANCE NO. 2574

AN ORDINANCE AMENDING CHAPTER 13.12 OF THE MOSES LAKE MUNICIPAL CODE ENTITLED "WATER, SEWER, AND STORMWATER RATES"

THE CITY COUNCIL OF THE CITY OF MOSES LAKE, WASHINGTON ORDAINS AS FOLLOWS:

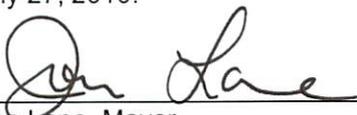

Section 1. Chapter 13.12 of the Moses Lake Municipal Code entitled "Water, Sewer, and Stormwater Rates" is amended as follows:

13.12.090 Water Usage - Fire Hydrants: Water delivered through fire hydrants associated with the city's water system shall be billed as follows:

- A. Fire hydrant meters provided by the city shall be used, when available, to measure the amount of water being delivered through the fire hydrant. Anyone receiving water delivered through a fire hydrant shall pay four dollars (\$4) per day for the water received through a fire hydrant plus the commercial rate listed in Section 13.12.020 for water delivered if a fire hydrant meter, provided by the city, is used to measure the amount of water delivered. If no fire hydrant meter is available from the city, anyone receiving water from a fire hydrant shall pay six dollars (\$6) per day for the water received through a fire hydrant.
- B. The city shall pay, from its current expense fund to the water and sewer fund, an amount determined by the Finance Department and approved by the City Council through the budgeting process to cover the cost of providing fire protection capabilities through the system of fire hydrants included as a part of the City's water system.

Section 2. This ordinance shall take effect and be in force five (5) days after its passage and publication of its summary as provided by law.

Adopted by the City Council and signed by its Mayor on July 27, 2010.

Jon Lane, Mayor
