THE CITY COUNCIL OF THE CITY OF MOSES LAKE, WASHINGTON ORDAINS AS FOLLOWS:

Section 1. Chapter 18.40 of the Moses Lake Municipal Code entitled "Industrial Zones" is amended as follows:

18.40.030 Allowed Uses:

- A. The Industrial Land Uses table indicates where categories of land uses may be permitted and whether those uses are allowed outright or by conditional use permit. Only industrial zones are included in this table. Land uses not listed are prohibited unless allowed through the process specified in MLMC 18.40.030.E. Further interpretation of these zones may be obtained as specified in MLMC 20.03.020.B. Land uses are also subject to any footnotes contained within this chapter.
- B. The uses are arranged in three (3) categories. There are primary uses, those uses the industrial zones were designed to accommodate; accessory uses; and other uses that are compatible with or support the primary uses, or are not appropriate for other zones because of impacts.
- C. The symbols used in the table represent the following:
 - 1. An "A" in a table cell indicates that the use is allowed subject to the applicable standards in this code in the zone listed at the top of the table.
 - 2. A "C" in a table cell indicates that the use is allowed by conditional use permit, subject to the conditional use provisions in MLMC 18.51 and any additional standards specified.
 - 3. An "X" in a table cell indicates the use is not allowed in the zone listed at the top of the table.
- D. Procedural requirements for permits are described in MLMC Title 20.
- E. Uses similar to those listed may be established as allowed or conditionally allowed through the interpretation procedures in MLMC 20.03.020.B. In determining whether a use should be permitted, the Community Development Director shall refer to the purpose statements found in 18.40.010 and the 1987 version of the Standard Industrial Classification Manual.
