RE: Notice of Decision – Wamboldt/Johnson Boundary Line Adjustment  
(LUA2016-0034)

Dear Jim:

The proposed boundary line adjustment (BLA) you submitted to adjust a property line 5' to the north meets the criteria of approval in Moses Lake Municipal Code (MLMC) 17.42. However, you may wish to correct some typographical errors staff noticed:

1. The Survey Narrative references Adams County in the second paragraph. It seems likely this should be Grant County.
2. "Mobile" is misspelled as "Mobil" when noting the existing locations of homes.
3. Near the southeast corner, the first note should probably say "not" instead of "no".
4. Near the southeast corner, the second note should probably say "position" instead of "postion".

Please be aware that MLMC 17.42 has very limited standards for review and approval of boundary line adjustments. Staff does not perform a detailed review as we rely on the surveyor stamping the drawing to prepare it as required by state law.

In order to record the boundary line adjustment with the County Auditor, the City will need the following:

1. Two reproducible (mylar) copies of the document. If you or your client would like conformed copies, you will need to submit additional mylars.
2. A check payable to the Grant County Auditor for recording fees. Recording fees are currently one hundred fifty-seven dollars (\$157) for the first page, five dollars (\$5) for each additional page, and fifty cents (\$.50) per page for each set of additional mylars, other than the original, to be signed by the Auditor.

Per MLMC 17.42.070.C, documents for recording must be provided within 180 calendar days of this notice, otherwise the BLA is void.

In addition to filing the mylars, the deeds must be exchanged before the boundary line adjustment is completed. The City is not involved in the exchange of deeds, so that will be the responsibility of you or your client. Please be advised that the Grant County

Treasurer requires that the taxes be paid in full when the deeds are recorded.

If you have any questions or if I can be of further assistance, please contact me at 764-3747 or [ahenning@cityofml.com](mailto:ahenning@cityofml.com).

Cordially,

Anne Henning
