I hereby acknowledge that the information I have provided is correct and I agree to comply with all State and City laws and ordinances regulating construction. I understand and agree the City of Moses Lake has no obligation to explain every requirement and ordinance to me prior to approval of my project. I also acknowledge by signing this application I authorize any City of Moses Lake personnel access to the property at all reasonable times to ascertain relevant information, including the current condition of the property, and perform any and all inspections.

The issuance of a permit based on plans, specifications and other data shall not prevent the building official from thereafter requiring the correction of errors in said plans, specifications and other data, or preventing building operations when in violation of this code or of any State or City laws, rules, or regulations. The granting of a permit or an approval does not presume to give authority to violate or cancel the provisions of an other federal, state or local laws regulating construction, the performance of construction, and/or operation of the project. Issuance of a permit does not authorize any work in public right-of-way or utility easements. Every permit issued under the provision of the MLMC shall expire by limitation and become null and void if the work authorized is not commenced for a period of 180 days. I hereby certify that as a contractor I am currently registered and properly licensed as defined in RCW 18.27 or as a property owner I am exempt from the requirements of the contractor registration and will do all my own work or use properly licensed subcontractors in connection with the work to be performed under this permit.
