Love's Truck Stop Sign Variance Request hearing rescheduled for March 25

Due to government health recommendations regarding public gatherings the public hearing for the Love's Truck Stop Sign Variance Request was rescheduled to 2:30 p.m., Wednesday, March 25. The hearing will take place in the City Council Chambers at 401 S. Balsam St, Moses Lake.

It is highly recommended that comments be submitted in writing. Written comments on the request may be submitted up to the time of the hearing to the Community Development Department, PO Box 1579, Moses Lake, WA 98837, or by email to vramsey@cityofml.com.

The city is making arrangements to have the meeting available to the public remotely. Monitor the city's website, www.cityofml.com, for updated information. Citizens may appear in person. The city will observe social distancing modifications during the hearing. Contact the Community Development Department at 509-764-3750 if you have questions.

The hearing, originally scheduled for March 18, is to consider a request for a variance to the zoning sign code. Love's Truck Stop is asking to increase the height of a freeway sign from 45 inches to 100 inches; and increase square footage from 350 square feet to 1,122.50 square feet. Love's is also asking to increase the height of directional signs from 6 inches to 8 inches; and square footage from 8 square feet to 32 square feet.
