OLD BUSINESS

A: OPERATIONS BLDG PAINT: Still looking into it.

B: WIND TEE LIGHTING: There are still a few bad sockets, still being worked on by Darel Fuller.

C: AIRPORT EQUIPMENT BUILDING STUDY: On hold for now. Tractor is being housed in Delones' hangar.

D: WEED CONTROL STATUS: Weed control on hold right now. Can't spray in this heat.

NEW BUSINESS

A: TRASH DUMPING-WEST FIELD: Dumping debris not allowed there, some was observed that was dumped there. Thanks to the City Maintenance staff that cleaned it up!

B: OTHER:

There was a review of the Quarterly Finance report.

It was noted we had not seen a bill from T/O Engineering.

There was some discussion on the use of the tractor, both when and how to use the tractor and the spray mechanisms.
