

## **MOSES LAKE MUNICIPAL AIRPORT COMMISSION**

A rescheduled meeting of the Moses Lake Airport Commission was held at the Airport Operations Building, Friday, noon Feb. 19, 2016.

**COMMISSIONERS PRESENT:** Darel Fuller, Delone Krueger, Richard Pearce and Council Representative Mayor Voth

**GUEST:** Tray Dail, Engineer, T & O Engineering, Mike Moro, Public Works Director, Ron Piercy, FBO.

### **MINUTES:**

Minutes for the 15 Jan. 2016 meeting were approved as presented.

### **AIRPORT INSPECTION:**

The inspection was completed by Richard Pearce and is attached.

March inspection to be done by Delone Krueger.

### **CORRESPONDENCE:**

- A. State Aircraft registration rule change, from Buck Lucas.
- B. Airport camera not updating.

### **OLD BUSINESS:**

- A. Airport Inventory & Data Survey, Completed
- B. Snowplowing contract. Mr. Piercy reported that his insurance company covers for snowplowing.

Richard Pearce made a motion that Mr. Piercy get a letter from his insurance company to the city stating that he is insured. A contract between Mr Piercy and the City be drawn for snow plowing the remainder of this winter season. Seconded by Delone Krueger. Passed.

## **NEW BUSINESS:**

**A. West Fence.** Tray Dail was present to brief the commission about the fence proposed for the west side. We have been approved for the Engineering and Tray will now apply for a construction grant.

**B. Operations Building Use for 2016;** Five requests for building use have been submitted. Mr. Fuller has signed the requests and they are attached.

**C. Correspondence:** Motion by Richard H. Pearce that we reply to the letter from Mr. Lucas about hangar use on the airport. It will be returned to Mr. Lucas with copies to Mayor Voth and State Representative Tom Dent. Seconded by Delone Krueger. Passed.

**D. NOTAM:** Mr. Moro presented the list of people approved within the city to submit a NOTAM. Some are no longer available. There was some discussion about people to place on the list. Changes were approved and Mr. Moro will update the list and notify the FAA.

**F. OTHER:** There is still a small trip hazard in the sidewalk in front of the operations building. Mr. Voth will grind it.

Ms. Judy Thompson will be consulted about terms of commissioners.
