Contact the Washington State Department of commerce Lead Paint Program at (360) 586-5323, or visit www.commerce.wa.gov/lead, or e-mail the lead program lbinfo@commerce.wa.gov before renovating or remodeling activities in pre-1978 residential buildings or child occupied facilities to ensure your compliance with applicable Washington lead regulations.

AUTHORIZATION

The issuance or granting of a permit or approval of plans, specifications and computations shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of the code or of any other ordinance of the jurisdiction. Permits presuming to give authority to violate or cancel the provisions of this code or other ordinances of the jurisdiction shall not be valid. The issuance of a permit based on plans, specifications and other data shall not prevent the building official from thereafter requiring the correction of errors in said plans, specifications and other data, or from preventing building operations being carried on thereunder when in violation of this code or of any other ordinances of this jurisdiction.

ADDITIONAL INFORMATION

Contact the Washington State Department of commerce Lead Paint Program at (360) 586-5323, or visit www.commerce.wa.gov/lead, or e-mail the lead program lbinfo@commerce.wa.gov before renovating or remodeling activities in pre-1978 residential buildings or child occupied facilities to ensure your compliance with applicable Washington lead regulations.

AUTHORIZATION

The issuance or granting of a permit or approval of plans, specifications and computations shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of the code or of any other ordinance of the jurisdiction. Permits presuming to give authority to violate or cancel the provisions of this code or other ordinances of the jurisdiction shall not be valid. The issuance of a permit based on plans, specifications and other data shall not prevent the building official from thereafter requiring the correction of errors in said plans, specifications and other data, or from preventing building operations being carried on thereunder when in violation of this code or of any other ordinances of this jurisdiction.

SPECIAL CONDITIONS

Fences along walkways, pedestrian paths, or activity trail links open to the public shall be no more than four feet (4') solid or six feet (6') open in height or a combination of both with a maximum of four feet (4') solid portion starting from the top of the walkway, pedestrian path, or activity trail. Fencing located within the front or exterior side yard setback area may not exceed four feet (4') in height. All fencing materials must be located inside the property line, and a landscaping treatment is required for the exterior side of the fence up to the hard surface pathway. This area shall be maintained by the property owner. The landscaping treatment plan is required in conjunction with the fence permit application and shall include a minimum treatment of grass, decorative rock, wood, bark, or any combination of such materials, or similar materials, in a manner that will minimize disturbance by natural elements or pedestrians. Additional landscaping is encouraged. MLMC 12.20.120 E.

ADDITIONAL INFORMATION

Contact the Washington State Department of commerce Lead Paint Program at (360) 586-5323, or visit www.commerce.wa.gov/lead, or e-mail the lead program lbinfo@commerce.wa.gov before renovating or remodeling activities in pre-1978 residential buildings or child occupied facilities to ensure your compliance with applicable Washington lead regulations.

AUTHORIZATION

The issuance or granting of a permit or approval of plans, specifications and computations shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of the code or of any other ordinance of the jurisdiction. Permits presuming to give authority to violate or cancel the provisions of this code or other ordinances of the jurisdiction shall not be valid. The issuance of a permit based on plans, specifications and other data shall not prevent the building official from thereafter requiring the correction of errors in said plans, specifications and other data, or from preventing building operations being carried on thereunder when in violation of this code or of any other ordinances of this jurisdiction.
