SPECIAL CONDITIONS

All building permits issued on or after March 23, 2020, fall under Phase 1 of the Governor's reopening business plan. In Phase 1, the Governor had declined to allow new projects to begin except for project deemed essential or work such as emergency repairs or replacement of failed building appliances/equipment.

The City cannot perform the required inspections on projects issued on or after March 23, 2020 since the work was not authorized by the Governor. All new construction is scheduled to be released under the Phase 2 plan, which is scheduled to start the last week of May

ADDITIONAL INFORMATION

Contact the Washington State Department of commerce Lead Paint Program at (360) 586-5323, or visit www.commerce.wa.gov/lead, or e-mail the lead program lbinfo@commerce.wa.gov before renovating or remodeling activities in pre-1978 residential buildings or child occupied facilities to ensure your compliance with applicable Washington lead regulations.

AUTHORIZATION

The issuance or granting of a permit or approval of plans, specifications and computations shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of the code or of any other ordinance of the jurisdiction. Permits presuming to give authority to violate or cancel the provisions of this code or other ordinances of the jurisdiction shall not be valid. The issuance of a permit based on plans, specifications and other data shall not prevent the building official from thereafter requiring the correction of errors in said plans, specifications and other data, or from preventing building operations being carried on thereunder when in violation of this code or of any other ordinances of this jurisdiction.

AUTHORIZATION

The issuance or granting of a permit or approval of plans, specifications and computations shall not be construed to be a permit for, or an approval of, any violation of any of the provisions of the code or of any other ordinance of the jurisdiction. Permits presuming to give authority to violate or cancel the provisions of this code or other ordinances of the jurisdiction shall not be valid. The issuance of a permit based on plans, specifications and other data shall not prevent the building official from thereafter requiring the correction of errors in said plans, specifications and other data, or from preventing building operations being carried on thereunder when in violation of this code or of any other ordinances of this jurisdiction.
