MOSES LAKE CITY COUNCIL  
March 8, 2011

DRAFT

Council Present: Jon Lane, Bill Ecret, Dick Deane, Karen Liebrecht, Brent Reese, David Curnel, and Richard Pearce

The meeting was called to order at 7 p.m. by Mayor Lane.

PLEDGE OF ALLEGIANCE: Tom Taylor, Fire Chief, led the Council in the pledge of allegiance.

PRESENTATIONS AND AWARDS - None

CONSENT AGENDA

Minutes: The minutes of the February 22, 2011 meeting were presented for approval.

Approval of Claims, Prepaid Claims, Checks, and Payroll: Vouchers audited and certified by the Finance Director as required by RCW 42.24.080, and those expense reimbursement claims, certified as required by RCW 42.24.090, have been recorded on a listing which has been made available to the Council for approval and is retained for public inspection at city hall. As of March 8, 2011 the Council does approve for payment claims in the amount of \$1,002,602.18; prepaid claims in the amount of \$46,176.08; claim checks in the amount of \$370,183.28; and payroll in the amounts of \$1,736.91 and \$20,321.84.

Maiers Industrial Park 2<sup>nd</sup> Final Major Plat and Findings of Fact: Maiers Industrial Park, Inc. submitted a one lot final plat for 5.41 acres located directly east of 13184 Wheeler Road. The site is zoned Heavy Industrial, which corresponds with the Comprehensive Plan Land Use Designation of Industrial. The Planning Commission recommended that the final plat be approved with conditions and the Findings of Fact be accepted.

Action Taken: Mr. Ecret moved that the Consent Agenda be approved, seconded by Mr. Reese, and passed unanimously.

Resolution - Accept Improvements - Crossroads Phase 4 Major Plat: A resolution was presented which accepts street and utility improvements constructed as part of the Crossroads Phase 4 Major Plat.

Mr. Reese questioned the fact that the required fence has not been constructed.

Gilbert Alvarado, Community Development Director, pointed out that the fence is not part of the resolution accepting the street and utility improvements. He mentioned that the construction of the fence has been delayed due to easement issues but staff and the developer are still discussing the issue.

Action Taken: Mr. Reese moved that the resolution be adopted, seconded by Mr. Pearce, and passed unanimously.

COMMISSION APPOINTMENTS - NoneCONSIDERATION OF BIDS AND QUOTESONE TON CAB AND CHASSIS

The City received three bids for a one ton cab and chassis that will be used by the Parks and Recreation Department.

Action Taken: Mr. Deane moved the bid be awarded to Discovery Ford in the amount of \$24,299, seconded by Dr. Curnel, and passed unanimously.

CRACK SEAL PROJECT - 2011

The City received four bids for the 2011 Crack Seal Project. This project includes sealing approximately 290,000 feet of various cracks in the City's streets and parking lots.

Action Taken: Mr. Pearce moved that the bid be awarded to Quality Paving, Inc. in the amount of \$97,414, seconded by Mr. Ecret, and passed unanimously.

PETITIONS, COMMUNICATIONS, OR PUBLIC HEARINGSLIBRARY RENOVATION

Tim Fuhrman, representing the Library renovation project, stated that the proposal includes a major remodel and a 20,000 square feet addition. The conceptual plans have been developed and funding is being sought. The cost is expected to be between \$6,000,000 and \$10,000,000.

Chris Nelson, 198 Crestview, stated that he felt one of the major problems is the computer lab at the library and was in favor of expansion.

ORDINANCES AND RESOLUTIONSORDINANCE - AMEND 13.12 - WATER, SEWER, AND STORMWATER RATES - 1<sup>ST</sup> READING

An ordinance was presented which increases the water, sewer and stormwater rates.

The ordinance amending Chapter 13.12 of the Moses Lake Municipal Code entitled "Water, Sewer, and Stormwater Rates" was read by title only.

Action Taken: Mr. Pearce moved that the first reading of the ordinance be adopted, seconded by Mrs. Liebrecht.

There was discussion on the reasons for the yearly increase in the rates.

Mr. Reese and Dr. Curnel felt that, because of the economy and the increase in the ambulance rates and the establishment of stormwater rates, it would not be a hardship on the City to forego an increase in the water/sewer rates.

The motion passed with Dr. Curnel and Mr. Reese opposed.

ORDINANCE - CREATE 9.22 - OFFENSES AGAINST PUBLIC PEACE - 1<sup>ST</sup> READING

An ordinance was presented which addresses panhandling and donation solicitation from vehicle occupants.

The ordinance creating Chapter 9.22 of the Moses Lake Municipal Code entitled "Offenses Against Public Peace" was read by title only.

Joseph K. Gavinski, City Manager, stated that the ordinance does not prohibit panhandling because that would raise some constitutional issues, however, it does provide some regulations of the activity.

There was some discussion by the Council.

Action Taken: Mr. Deane moved that the a C-17 penalty be imposed and the first reading of the ordinance be adopted, seconded by Dr. Curnel, and passed unanimously.

REQUEST TO CALL FOR BIDSLONGVIEW TRACTS SEWER PROJECT - 2011

Staff requested authorization to call for bids for the 2011 Longview Tracts Sewer Project. This project consists of installing sewer mains, sewer side services, curb, gutter, catch basins, drywalls, and asphalt streets in Longview Tracts.

There was some discussion on the project.

Action Taken: Mr. Deane moved that staff be authorized to call for bids, seconded by Dr. Curnel, and passed unanimously.

REFERRALS FROM COMMISSIONS - NoneOTHER ITEMS FOR COUNCIL CONSIDERATIONLEGAL SERVICES CONTRACT

An amendment was presented to the current Contract for Professional Legal Services between the City and Lemargie, Kenison, Wyman, and Whitaker which changes the City Attorney from James A. Whitaker to Katherine L. Kenison. Ratification of the execution of the amendment by the City Manager was requested.

Action Taken: Mr. Ecret moved that the City Manager's execution of the amendment to the contract be ratified, seconded by Mr. Reese, and passed unanimously.

ORDINANCE - RESIDENTIAL VEHICLE STORAGE - REVIEW

An ordinance was presented which amends the vehicle storage regulations to address the issue of the use of gravel as a parking surface in the front yard in the residential areas of the City. Additional direction from Council was requested on the proposed changes.

There was considerable discussion by the Council.

Action Taken: Mr. Pearce moved that the ordinance be changed to eliminate the second sentence from the bottom in Section 8.52.040 B 1 and include 5' in the last sentence and the first reading of the ordinance be adopted, seconded, by Mr. Reese, and passed unanimously.

#### TRAVEL INN MOTEL - SIGN

The Travel Inn Motel located at 316 Pioneer Way is proposing to replace the existing sign which extends into the City's right-of-way by 6' with a new sign that will only extend into the City's right-of-way by 13". The existing poles and footings will be utilized.

Mike Garland, representing the Travel Inn, explained that the change in the sign will reduce the overhang of the sidewalk to 13". The existing footing and poles will be used.

Action Taken: Mr. Ecret moved that the request be granted, seconded by Mr. Reese, and passed unanimously.

#### REIMBURSEMENT REDUCTION - ENERGY INDUSTRIAL MAJOR PLAT

Phillip Bloom, Columbia Northwest Engineering, on behalf of REC, requested a reduction in the sewer reimbursements for the Energy Industrial Major Plat to account for the street frontage of the property that is owned by Agri Beef. The ownership of the roadway easement fronting Agri Beef was included in REC's purchase of their property that is being platted, and is required to be included in the Energy Industrial Major Plat and so the sewer reimbursements for this section of street easement are the responsibility of REC. The owner of the Energy Industrial Major Plat does not derive any benefits from the street frontage of the property owned by Agri Beef and staff has no objections to the reduction of the sewer reimbursements requested by REC. The reimbursement would be reduced by \$1,349.

Larry Angell, Columbia Northwest Engineering, representing REC, stated that they used the work sheets prepared by the City to calculate the reduction in the reimbursements.

Action Taken: Mr. Reese moved that the request be granted, seconded by Mr. Pearce, and passed unanimously.

#### WESTERN DISPLAY FIREWORKS - AGREEMENT

Authorization was requested for the City Manager to sign the agreement with Western Display Fireworks, Ltd. for the 2011 4<sup>th</sup> of July fireworks show. The cost of the fireworks is \$16,000.

Action Taken: Dr. Curnel moved that the City Manager be authorized to sign the agreement, seconded by Mr. Deane, and passed unanimously.

#### NON-AGENDA ITEMS AND PUBLIC QUESTIONS AND COMMENTS

##### TAXES/AMBULANCE FEES

Chris Nelson, 198 Crestview, wanted to know when the taxes from the SGL project would be given to the City.

Joseph K. Gavinski, City Manager, explained that it would take about a year before the City sees any tax revenue.

Mr. Nelson questioned how the ambulance fee is assessed on apartments.

Joseph K. Gavinski, City Manager, explained how the fee is assessed.

#### COUNCIL QUESTIONS AND COMMENTS - None

#### CITY MANAGER REPORTS AND COMMENTS

##### VACATION RENTAL DWELLINGS

Joseph K. Gavinski, City Manager, provided information from Westport and Chelan County which regulates vacation rental dwellings since the issue came up at the Council/staff Retreat.

Mr. Ecret stated that the area is being promoted as a vacation destination spot and both the Chamber of Commerce and Vision 2020 feels that vacation rentals are needed as there are not enough places for vacationers to stay.

Mr. Gavinski pointed out that the problem is how to maintain the integrity of the single family residential neighborhoods. He mentioned that vacation rentals have been allowed in the county and they were so disruptive to the neighborhood that the residents became irate. He mentioned that it is difficult to regulate and manage that type of activity.

##### COUNCIL/STAFF RETREAT REPORT/CITY HALL AND POLICE BUILDING REMODEL

Joseph K. Gavinski, City Manager, provided a new schedule of the priority items discussed at the Council/staff Retreat.

He also provided tentative plans for the remodel of the existing City Hall and Police/Parks and Recreation Building.

##### POLICE REPORT

Joseph K. Gavinski, City Manager, provided information on the strategies used by the Police Department to deal with crimes committed by juveniles, young adults, and criminal street gangs.

##### SALES TAX/TRANSIENT RENTAL INCOME

The City received \$488,453.72 in sales tax and \$25,155.98 in transient rental income in February 2011.

##### BUILDING ACTIVITY REPORT

The February 2011 Building Activity Report was presented.

##### INSURANCE

Joseph K. Gavinski, City Manager, stated that the City will receive a refund from the AWC Retro Pool.

WELLNESS PROGRAM

Joseph K. Gavinski, City Manager, stated that the City is insured through the AWC Benefit Trust, which has gone to a Wellness model in the collection of premiums and the programs that must be in place in order to participate in the program. If the City adopts a Wellness program which contains the required elements, the City will receive a 2% rebate on its health insurance premium, which equates to about \$40,000 per year. Staff would recommended that part of that rebate be reinvested in the Wellness Program as it will promote good health among the employees and will provide better service to the community. The ultimate goal is to reduce sick leave amounts.

The regular meeting was adjourned at 8:45 p.m.

TO: Council Members  
FROM: Mayor Jon Lane  
RE: Reappointment to the Tourism Commission

I have received a letter requesting reappointment to the Tourism Commission from Ms. Bev Shuford.

It is my intention to honor this request at the March 22, 2011, Council meeting.

If you have any comments for or against this reappointment please contact me prior to Tuesday's meeting. I have included the letter for your review.

The Honorable Mayor Jon Lane  
and City Council  
PO Box 1579  
Moses Lake WA 98837

Dear Mayor and Council:

It is my understanding my term on the Moses Lake Tourism Commission will soon expire and I would like to continue to serve. I have the willingness, interest and time that will promote participation.

Tourism offers many opportunities for Moses Lake and it is becoming a major force in our economic profile. I would like to continue on and stay connected with the exciting projects being offered to the community.

I have greatly enjoyed working with Spencer and the staff at the Park & Recreation Department. They promote the City in a professional manner and offer great ideas to enrich lives of the citizens of Moses Lake.

Kind Regards  
Bev Shuford

March 11, 2011

Honorable Mayor and  
Moses Lake City Council

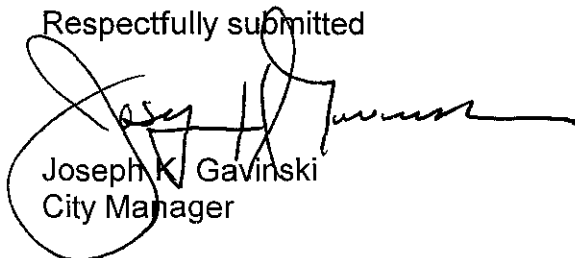

Dear Council members

At the last meeting, the City Council considered an amendment to the vehicle storage ordinance. The Council passed an amended ordinance at its first reading.

I have included for the City Council's consideration the original version of the ordinance as it was presented to the City Council for review as Exhibit "A" and a copy of the ordinance as amended by the City Council as Exhibit "B". Since the City Council amended the original ordinance as presented, further amendments are necessary to reflect the intent of the City Council and to make the ordinance make sense. This further amended ordinance is presented as Exhibit "C".

The ordinances are presented to the City Council for consideration. This is a second reading of the ordinance as further amended.

Respectfully submitted

Joseph K. Gavinski  
City Manager

ORDINANCE NO.

AN ORDINANCE AMENDING CHAPTER 8.52 OF THE MOSES LAKE MUNICIPAL CODE ENTITLED "RESIDENTIAL VEHICLE STORAGE"

THE CITY COUNCIL OF THE CITY OF MOSES LAKE, WASHINGTON ORDAINS AS FOLLOWS:

Section 1. Chapter 8.52 of the Moses Lake Municipal Code entitled "Residential Vehicle Storage" is amended as follows:

8.52.010 Purpose: The purpose of this chapter is to preserve the character and safety of the city's neighborhoods by eliminating improperly stored vehicles which may be characterized as nuisances.

8.52.020 Definitions: For the purposes of this chapter the following words shall have the following meanings:

- A. "Designated Driveway" means the clearly defined roadway leading from the street that is surfaced by asphalt, concrete, gravel, bricks, pavers, or similar material not to exceed thirty feet (30') in width, or otherwise as shown on approved site plans. Where there is curb and gutter at the street, the driveway must have an approved curb cut.
- B. "Front yard" means the area as defined in Moses Lake Municipal Code 18.06.630.
- C. "Improved Parking Surface" means a parking surface such as concrete, asphalt, pavers, brick or other similar surface. Gravel or crushed rock may be used in the side or rear yards, but not in the front yard except where parking in the side yard extends into the front yard as permitted in Moses Lake Municipal Code 8.52.040 (B) (1). The parking surface shall be continuous from a designated driveway. Gravel or crushed rock shall be contained and shall not be allowed to migrate and shall be vegetation free. Material used for the improved parking surface shall be a minimum of two inches (2") in thickness and shall be at least the same area as the drip edge of the vehicle.
- D. "Inoperable Vehicle" means a vehicle as defined in subsection I except that it is not licensed or does not operate in the manner it was intended.
- E. "Junk Vehicle" means a vehicle certified under RCW 46.55.230 as meeting at least three (3) of the following requirements: Is three (3) years old or older; is extensively damaged, such damage including but not limited to any of the following: a broken window or windshield, or missing wheels, tires, motor, or transmission; is apparently inoperable; has an approximate fair market value equal only to the approximate value of the scrap in it.
- F. "Owner" means any person owning property as shown on the real property records of Grant County or on the last assessment roll for taxes, and shall also mean any lessee, tenant, or other person having control or possession of the property.
- G. "Property" means land and all buildings and structures located thereon.
- H. "Recreational Vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, travel, or seasonal use that either has its own power or is mounted on, or towed by, another vehicle. Recreational vehicles include, but are not limited to, camping trailers, fifth-wheel trailers, motor homes, travel trailers, and truck campers.
- I. "Vehicle" means a currently licensed motorized or non-motorized conveyance that includes, but is not limited to an automobile, car, truck, camper, motorcycle, trailered boat, trailered personal water-craft, trailered snowmobile, or recreational vehicle, trailer of any type in

operable condition, and may or may not be intended for use on public roadways or waterways.

- J. "Vacant Property" means any lot, tract, or tax identification parcel which lacks any habitable structures.

8.52.030 Vehicles: Operating a vehicle-oriented business is prohibited except for businesses with a current city business license specifically issued for vehicle storage, repair, or sales. The property owner shall ultimately be responsible for maintaining the property in compliance with this chapter.

8.52.040 Storage of Certain Vehicles and Components: Storage of vehicles on residential properties (R-1, R-2, and R-3) shall be allowed as follows:

- A. Vehicles may be kept or located in or under any lawfully permitted building such as a garage, carport, or an enclosed and properly licensed utility or cargo type trailer so long as the utility or cargo type trailer is parked properly under the requirements of this chapter.
- B. Vehicles may be parked or stored outside on an improved parking surface or designated driveway provided they are stored in the following manner:
  - 1. Vehicles such as cars, pick-up trucks, motorcycles, recreational vehicles, trailered vehicles, trailered boats, or one enclosed utility or cargo type trailer with dimensions of no more than six feet (6') wide by twelve feet (12') long, that are licensed for use on public roads may be parked in a front yard only on an approved designated driveway or on a city approved surface parallel to a designated driveway. A trailer other than an enclosed utility or cargo type trailer attached to a car or pickup truck may be temporarily parked for a period of twenty-four (24) hours in a front yard as set forth in the ordinance so long as it remains attached to the car or pickup truck. All other allowed vehicles must be parked in a side or rear yard. Vehicles parked in a side yard may extend from the front of any primary structure adjacent to the side yard. No vehicle parked in a side yard may be parked within feet of any adjacent sidewalk or activity trail or within any side yard setback.
  - 2. Vehicles parked in a side yard or in a rear yard shall be parked on an improved parking surface.
  - 3. Up to three (3) vehicles such as recreational vehicles, enclosed utility or cargo type trailers with dimensions of no more than six feet (6') wide by twelve feet (12') long, trailered boats, any other trailers, whether loaded or unloaded, may be parked or stored regardless of whether they are stored on a designated driveway, on an improved parking surface parallel to a designated driveway, or on the side or rear yards on an improved parking surface provided that only one (1) type of each vehicle is allowed on any one (1) piece of property.
- C. Any and all trailers, loaded or unloaded, except as otherwise allowed in this chapter, or vehicles that are not licensed for use on public roads, may be stored only in a side yard or rear yard of the property on an improved parking surface.
- D. Inoperable vehicles outside a structure that are entirely intact, not considered a junk vehicle nor a public nuisance, shall not be stored on property for a period exceeding thirty (30) days. Working on such vehicles shall comply with Section 8.52.050.
- E. Commercial vehicles over one ton or semi-tractors and/or semi-tractor trailer combinations shall not be parked, deliveries excepted, or stored on any residential property unless otherwise allowed by law.
- F. No vehicles or recreational vehicles shall be parked or stored on vacant property unless allowed by law.

- G. Vehicles used in a demolition derby may be stored or parked only in totally enclosed, permitted structures.

8.52.050 Vehicle and Equipment Repair on Residential Premises: All servicing, repairing, assembling, wrecking, modifying, restoring, or otherwise working on any vehicle on any residential premises shall be subject to the following terms:

- A. Work shall be limited to the repair and maintenance of vehicles, equipment, or other conveyance currently registered as specified in the Washington Vehicle Code to the occupant or a member of the occupant's family. This limitation precludes auto repair on residential premises by any commercial entity.
- B. Work on inoperable vehicles shall be limited to no more than one (1) vehicle at any one time.
- C. Work shall only take place within an enclosed structure or in an area screened from public view, except that minor servicing, repairing, or otherwise working on a vehicle may be performed outside an enclosed structure or in an area screened from public view so long as the vehicle is parked on a designated driveway or improved parking surface.
- D. Work shall take place only after the hour of seven (7) a.m. and before the hour of ten (10) p.m.
- E. Work shall not take place in a public right-of-way.
- F. Parts, equipment, or other supplies shall be kept within an enclosed structure or in an area that is screened from public view and shall be kept in a manner that is not a violation of MLMC Chapter 8.14.
- G. No work or condition shall create a nuisance as defined in MLMC Chapter 8.14.
- H. Upon completion of all work allowed by this section, the owner shall clean the property of all debris, oil, grease, gasoline, cloths, rags, equipment, and material used in the work and shall leave the property in such a condition that no hazard to persons or property remain.
- I. The owner shall dispose of all waste products in accordance with Chapter 19.114 RCW.

8.52.060 Special Permit: Recognizing there may be circumstances that exist for an owner which exceeds the requirements of this ordinance, the City Council may issue a special permit allowing a variance from the requirements set forth by this ordinance. If the City Council grants a request for a special permit, it shall be issued to the owner, as defined in this chapter, and shall not be transferable to other parties or properties and may be revoked at any time the criteria are no longer met. In the granting of the variance for the special permit, the City Council shall find that the following criteria have been met:

- A. The vehicles do not violate any other sections of the Moses Lake Municipal Code.
- B. Vehicles are appropriately licensed, operable and in good repair.
- C. Vehicles are registered to the owner.
- D. The grant of the special permit does not impair the health, welfare, character, or safety of the neighborhood.

8.52.070 Enforcement: Violations of this chapter shall be enforced in the same manner as violations of Chapter 8.14.

Section 2. This ordinance shall take effect and be in force five (5) days after its passage and publication of its summary as provided by law.

- G. "Property" means land and all buildings and structures located thereon.
- H. "Recreational Vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, travel, or seasonal use that either has its own power or is mounted on, or towed by, another vehicle. Recreational vehicles include, but are not limited to, camping trailers, fifth-wheel trailers, motor homes, travel trailers, and truck campers.
- I. "Vehicle" means a currently licensed motorized or non-motorized conveyance that includes, but is not limited to an automobile, car, truck, camper, motorcycle, trailered boat, trailered personal water-craft, trailered snowmobile, or recreational vehicle, trailer of any type in

operable condition, and may or may not be intended for use on public roadways or waterways.

J. "Vacant Property" means any lot, tract, or tax identification parcel which lacks any habitable structures.

8.52.030 Vehicles: Operating a vehicle-oriented business is prohibited except for businesses with a current city business license specifically issued for vehicle storage, repair, or sales. The property owner shall ultimately be responsible for maintaining the property in compliance with this chapter.

8.52.040 Storage of Certain Vehicles and Components: Storage of vehicles on residential properties (R-1, R-2, and R-3) shall be allowed as follows:

- A. Vehicles may be kept or located in or under any lawfully permitted building such as a garage, carport, or an enclosed and properly licensed utility or cargo type trailer so long as the utility or cargo type trailer is parked properly under the requirements of this chapter.
- B. Vehicles may be parked or stored outside on an improved parking surface or designated driveway provided they are stored in the following manner:
  - 1. Vehicles such as cars, pick-up trucks, motorcycles, recreational vehicles, trailered vehicles, trailered boats, or one enclosed utility or cargo type trailer with dimensions of no more than six feet (6') wide by twelve feet (12') long, that are licensed for use on public roads may be parked in a front yard only on an approved designated driveway or on a city approved surface parallel to a designated driveway. A trailer other than an enclosed utility or cargo type trailer attached to a car or pickup truck may be temporarily parked for a period of twenty-four (24) hours in a front yard as set forth in the ordinance so long as it remains attached to the car or pickup truck. All other allowed vehicles must be parked in a side or rear yard. No vehicle parked in a side yard may be parked within five feet (5') of any adjacent sidewalk or activity trail or within any side yard setback.
  - 2. Vehicles parked in a side yard or in a rear yard shall be parked on an improved parking surface.
  - 3. Up to three (3) vehicles such as recreational vehicles, enclosed utility or cargo type trailers with dimensions of no more than six feet (6') wide by twelve feet (12') long, trailered boats, any other trailers, whether loaded or unloaded, may be parked or stored regardless of whether they are stored on a designated driveway, on an improved parking surface parallel to a designated driveway, or on the side or rear yards on an improved parking surface provided that only one (1) type of each vehicle is allowed on any one (1) piece of property.
- C. Any and all trailers, loaded or unloaded, except as otherwise allowed in this chapter, or vehicles that are not licensed for use on public roads, may be stored only in a side yard or rear yard of the property on an improved parking surface.
- D. Inoperable vehicles outside a structure that are entirely intact, not considered a junk vehicle nor a public nuisance, shall not be stored on property for a period exceeding thirty (30) days. Working on such vehicles shall comply with Section 8.52.050.
- E. Commercial vehicles over one ton or semi-tractors and/or semi-tractor trailer combinations shall not be parked, deliveries excepted, or stored on any residential property unless otherwise allowed by law.
- F. No vehicles or recreational vehicles shall be parked or stored on vacant property unless allowed by law.

- G. Vehicles used in a demolition derby may be stored or parked only in totally enclosed, permitted structures.

8.52.050 Vehicle and Equipment Repair on Residential Premises: All servicing, repairing, assembling, wrecking, modifying, restoring, or otherwise working on any vehicle on any residential premises shall be subject to the following terms:

- A. Work shall be limited to the repair and maintenance of vehicles, equipment, or other conveyance currently registered as specified in the Washington Vehicle Code to the occupant or a member of the occupant's family. This limitation precludes auto repair on residential premises by any commercial entity.
- B. Work on inoperable vehicles shall be limited to no more than one (1) vehicle at any one time.
- C. Work shall only take place within an enclosed structure or in an area screened from public view, except that minor servicing, repairing, or otherwise working on a vehicle may be performed outside an enclosed structure or in an area screened from public view so long as the vehicle is parked on a designated driveway or improved parking surface.
- D. Work shall take place only after the hour of seven (7) a.m. and before the hour of ten (10) p.m.
- E. Work shall not take place in a public right-of-way.
- F. Parts, equipment, or other supplies shall be kept within an enclosed structure or in an area that is screened from public view and shall be kept in a manner that is not a violation of MLMC Chapter 8.14.
- G. No work or condition shall create a nuisance as defined in MLMC Chapter 8.14.
- H. Upon completion of all work allowed by this section, the owner shall clean the property of all debris, oil, grease, gasoline, cloths, rags, equipment, and material used in the work and shall leave the property in such a condition that no hazard to persons or property remain.
- I. The owner shall dispose of all waste products in accordance with Chapter 19.114 RCW.

8.52.060 Special Permit: Recognizing there may be circumstances that exist for an owner which exceeds the requirements of this ordinance, the City Council may issue a special permit allowing a variance from the requirements set forth by this ordinance. If the City Council grants a request for a special permit, it shall be issued to the owner, as defined in this chapter, and shall not be transferable to other parties or properties and may be revoked at any time the criteria are no longer met. In the granting of the variance for the special permit, the City Council shall find that the following criteria have been met:

- A. The vehicles do not violate any other sections of the Moses Lake Municipal Code.
- B. Vehicles are appropriately licensed, operable and in good repair.
- C. Vehicles are registered to the owner.
- D. The grant of the special permit does not impair the health, welfare, character, or safety of the neighborhood.

8.52.070 Enforcement: Violations of this chapter shall be enforced in the same manner as violations of Chapter 8.14.

Section 2. This ordinance shall take effect and be in force five (5) days after its passage and publication of its summary as provided by law.

ORDINANCE NO.

AN ORDINANCE AMENDING CHAPTER 8.52 OF THE MOSES LAKE MUNICIPAL CODE ENTITLED "RESIDENTIAL VEHICLE STORAGE"

THE CITY COUNCIL OF THE CITY OF MOSES LAKE, WASHINGTON ORDAINS AS FOLLOWS:

Section 1. Chapter 8.52 of the Moses Lake Municipal Code entitled "Residential Vehicle Storage" is amended as follows:

8.52.010 Purpose: The purpose of this chapter is to preserve the character and safety of the city's neighborhoods by eliminating improperly stored vehicles which may be characterized as nuisances.

8.52.020 Definitions: For the purposes of this chapter the following words shall have the following meanings:

- A. "Designated Driveway" means the clearly defined roadway leading from the street that is surfaced by asphalt, concrete, gravel, bricks, pavers, or similar material not to exceed thirty feet (30') in width, or otherwise as shown on approved site plans. Where there is curb and gutter at the street, the driveway must have an approved curb cut.
- B. "Front yard" means the area as defined in Moses Lake Municipal Code 18.06.630.
- C. "Improved Parking Surface" means a parking surface such as concrete, asphalt, pavers, brick or other similar surface. Gravel or crushed rock may be used in the side or rear yards and the front yard as it extends from the side yard, but not in the front yard except where parking in the side yard extends into the front yard as permitted in Moses Lake Municipal Code 8.52.040 (B) (4). The parking surface shall be continuous from a designated driveway. Gravel or crushed rock shall be contained and shall not be allowed to migrate and shall be vegetation free. Material used for the improved parking surface shall be a minimum of two inches (2") in thickness and shall be at least the same area as the drip edge of the vehicle.
- D. "Inoperable Vehicle" means a vehicle as defined in subsection I except that it is not licensed or does not operate in the manner it was intended.
- E. "Junk Vehicle" means a vehicle certified under RCW 46.55.230 as meeting at least three (3) of the following requirements: Is three (3) years old or older; is extensively damaged, such damage including but not limited to any of the following: a broken window or windshield, or missing wheels, tires, motor, or transmission; is apparently inoperable; has an approximate fair market value equal only to the approximate value of the scrap in it.
- F. "Owner" means any person owning property as shown on the real property records of Grant County or on the last assessment roll for taxes, and shall also mean any lessee, tenant, or other person having control or possession of the property.
- G. "Property" means land and all buildings and structures located thereon.
- H. "Recreational Vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, travel, or seasonal use that either has its own power or is mounted on, or towed by, another vehicle. Recreational vehicles include, but are not limited to, camping trailers, fifth-wheel trailers, motor homes, travel trailers, and truck campers.
- I. "Vehicle" means a currently licensed motorized or non-motorized conveyance that includes, but is not limited to an automobile, car, truck, camper, motorcycle, trailered boat, trailered personal water-craft, trailered snowmobile, or recreational vehicle, trailer of any type in

operable condition, and may or may not be intended for use on public roadways or waterways.

J. "Vacant Property" means any lot, tract, or tax identification parcel which lacks any habitable structures.

8.52.030 Vehicles: Operating a vehicle-oriented business is prohibited except for businesses with a current city business license specifically issued for vehicle storage, repair, or sales. The property owner shall ultimately be responsible for maintaining the property in compliance with this chapter.

8.52.040 Storage of Certain Vehicles and Components: Storage of vehicles on residential properties (R-1, R-2, and R-3) shall be allowed as follows:

A. Vehicles may be kept or located in or under any lawfully permitted building such as a garage, carport, or an enclosed and properly licensed utility or cargo type trailer so long as the utility or cargo type trailer is parked properly under the requirements of this chapter.

B. Vehicles may be parked or stored outside on an improved parking surface or designated driveway provided they are stored in the following manner:

1. Vehicles such as cars, pick-up trucks, motorcycles, recreational vehicles, trailered vehicles, trailered boats, or one enclosed utility or cargo type trailer with dimensions of no more than six feet (6') wide by twelve feet (12') long, that are licensed for use on public roads may be parked in a front yard only on an approved designated driveway or on a city approved surface parallel to a designated driveway. A trailer other than an enclosed utility or cargo type trailer attached to a car or pickup truck may be temporarily parked for a period of twenty-four (24) hours in a front yard as set forth in the ordinance so long as it remains attached to the car or pickup truck. All other allowed vehicles must be parked in a side or rear yard. No vehicle parked in the front yard extension of a side yard may be parked within five feet (5') of any adjacent sidewalk or activity trail or within any side yard setback.

2. Vehicles parked in a side yard or in a rear yard shall be parked on an improved parking surface.

3. Up to three (3) vehicles such as recreational vehicles, enclosed utility or cargo type trailers with dimensions of no more than six feet (6') wide by twelve feet (12') long, trailered boats, any other trailers, whether loaded or unloaded, may be parked or stored regardless of whether they are stored on a designated driveway, on an improved parking surface parallel to a designated driveway, or on the side or rear yards on an improved parking surface provided that only one (1) type of each vehicle is allowed on any one (1) piece of property.

C. Any and all trailers, loaded or unloaded, except as otherwise allowed in this chapter, or vehicles that are not licensed for use on public roads, may be stored only in a side yard or rear yard of the property on an improved parking surface.

D. Inoperable vehicles outside a structure that are entirely intact, not considered a junk vehicle nor a public nuisance, shall not be stored on property for a period exceeding thirty (30) days. Working on such vehicles shall comply with Section 8.52.050.

E. Commercial vehicles over one ton or semi-tractors and/or semi-tractor trailer combinations shall not be parked, deliveries excepted, or stored on any residential property unless otherwise allowed by law.

F. No vehicles or recreational vehicles shall be parked or stored on vacant property unless allowed by law.

- G. Vehicles used in a demolition derby may be stored or parked only in totally enclosed, permitted structures.
- 8.52.050 Vehicle and Equipment Repair on Residential Premises: All servicing, repairing, assembling, wrecking, modifying, restoring, or otherwise working on any vehicle on any residential premises shall be subject to the following terms:
- A. Work shall be limited to the repair and maintenance of vehicles, equipment, or other conveyance currently registered as specified in the Washington Vehicle Code to the occupant or a member of the occupant's family. This limitation precludes auto repair on residential premises by any commercial entity.
  - B. Work on inoperable vehicles shall be limited to no more than one (1) vehicle at any one time.
  - C. Work shall only take place within an enclosed structure or in an area screened from public view, except that minor servicing, repairing, or otherwise working on a vehicle may be performed outside an enclosed structure or in an area screened from public view so long as the vehicle is parked on a designated driveway or improved parking surface.
  - D. Work shall take place only after the hour of seven (7) a.m. and before the hour of ten (10) p.m.
  - E. Work shall not take place in a public right-of-way.
  - F. Parts, equipment, or other supplies shall be kept within an enclosed structure or in an area that is screened from public view and shall be kept in a manner that is not a violation of MLMC Chapter 8.14.
  - G. No work or condition shall create a nuisance as defined in MLMC Chapter 8.14.
  - H. Upon completion of all work allowed by this section, the owner shall clean the property of all debris, oil, grease, gasoline, cloths, rags, equipment, and material used in the work and shall leave the property in such a condition that no hazard to persons or property remain.
  - I. The owner shall dispose of all waste products in accordance with Chapter 19.114 RCW.
- 8.52.060 Special Permit: Recognizing there may be circumstances that exist for an owner which exceeds the requirements of this ordinance, the City Council may issue a special permit allowing a variance from the requirements set forth by this ordinance. If the City Council grants a request for a special permit, it shall be issued to the owner, as defined in this chapter, and shall not be transferable to other parties or properties and may be revoked at any time the criteria are no longer met. In the granting of the variance for the special permit, the City Council shall find that the following criteria have been met:
- A. The vehicles do not violate any other sections of the Moses Lake Municipal Code.
  - B. Vehicles are appropriately licensed, operable and in good repair.
  - C. Vehicles are registered to the owner.
  - D. The grant of the special permit does not impair the health, welfare, character, or safety of the neighborhood.
- 8.52.070 Enforcement: Violations of this chapter shall be enforced in the same manner as violations of Chapter 8.14.

Section 2. This ordinance shall take effect and be in force five (5) days after its passage and publication of its summary as provided by law.

13.12.030 Residential Sewer Rates: The following shall be the monthly rate charged customers residing within the corporate limits of the city and outside the corporate limits of the city for sewer service from the city sewer system for single-family dwellings and each unit of a duplex with separate meters: flat rate, \$31.60 ~~31.15~~ per month after May 1, 2011 ~~2010~~.

13.12.035 Duplex Sewer Rates: The following shall be the monthly rate charged customers residing within the corporate limits of the city and outside the corporate limits of the city for sewer service from the city sewer system for duplexes with only one (1) meter serving two (2) living units or for two (2) living units on a single lot served by one (1) meter: flat rate, \$63.20 ~~62.30~~ per month after May 1, 2011 ~~2010~~.

13.12.040 Commercial Sewer Rates:

A. The following shall be the monthly rate charged customers residing within the corporate limits of the city and outside the corporate limits of the city for all chargeable water discharged into the city sewer system by commercial users and dwellings with three (3) or more living units served by one (1) meter after May 1, 2011 ~~2010~~:

Amount Used (in cubic feet)	Sewer Rate
0-1,000	\$33.20 <del>32.85</del> per month minimum
Over 1,000	\$1.27 <del>1.25</del> per 100 cu. ft. or portion thereof

B. For purposes of calculating sewer charges, chargeable water shall be defined as follows: Chargeable water shall be measured by the water consumed on the premises, whatever the source of such water, and the same will be metered either by a public utility meter or one installed and maintained by the owner of the premises at his own expense and approved and inspected by the city. Where the water is metered by a privately owned water meter and is used to determine sewer charges, the city shall be allowed access to the meter in order to read such meter. Where the use of water is such that a portion of all the water used does not flow into the sewer system, for whatever reason, but is lost by evaporation, irrigation, sprinkling or is used in manufacturing or in a manufactured product, or is lost for whatever reason, and the person in control provides proof of this fact and installs a meter or other measuring device approved by the city to measure the amount of water so used and so lost, or if the city is capable of determining the amount of sewage entering the city's sewer system by some other

mechanical means, this water may be deducted from the actual water consumption used in calculating the sewer charge.

The sewer charges for triplexes and apartments, mobile home parks, schools, hospitals and other commercial establishments with increased usage for irrigation, only if their landscaping exceeds five thousand (5,000) square feet, shall be computed on the average consumption during the previous non-irrigation season, unless the user elects to install, at his expense, an approved measuring device to measure water not entering the sewer system. When a user has a swimming pool or cooling units discharging to the sanitary sewer, he must install an approved meter to determine the amount of water exempt from sewer charges during the irrigation season. The irrigation season shall be defined as the period in which statements are mailed for the April through November billing cycles.

- C. Sewer rates for commercial uses discharged into the sewer system may be separately determined by the City Council, based upon both volume and chemical characteristics of the sewage. The City Council reserves the privilege to require pre-treatment of any material discharged into the sewerage system, or to prohibit discharge into the system of industrial wastes that, because of either volume or concentration, will overload existing sewerage facilities.
- D. All air-conditioning and refrigeration units that are installed, replaced or that have capacity increased after the effective date of the ordinance codified in this chapter shall be required to install recirculating units. Disposal may not be accomplished by discharging into the sanitary sewer system.

13.12.042 Stormwater Rates: The following shall be the monthly rate for stormwater fees on residential and non-residential properties.

- A. Residential properties shall be charged five dollars and ten cents (~~\$5.10~~) per each living unit.
- B. Non-residential properties shall be charged the following rates per Table 13.12:

Table 13.12.042

Category	Impervious Ground Cover (s.f)	Rate
Non-residential 1	Up to 6,000	<del>\$5.10</del> 5-00
Non-residential 2	6,001 to 15,000	<del>\$8.65</del> 8-50
Non-residential 3	15,001 to 30,000	<del>\$12.70</del> 12-50
Non-residential 4	30,001 to 60,000	<del>\$25.35</del> 25-00
Non-residential 5	60,001 to 120,000	<del>\$50.65</del> 50-00
Non-residential 6	120,001 to 240,000	<del>\$101.30</del> 100-00
Non-residential 7	More than 240,000	<del>\$151.95</del> 150-00

- C. Undeveloped property shall not be charged a stormwater fee.
- D. Non-residential property owners may submit a request for the following credits to the stormwater fees. Residential properties are not eligible for credits. The credits are not cumulative. Requests for credit shall be submitted to the Municipal Services Director on forms provided by the Municipal Services Department.

1. A credit of up to eighty percent (80%) may be approved for non-residential properties for portions of on-site stormwater discharges to privately maintained on-site treatment facilities that are in compliance with an active National Pollutant Discharge Elimination System (NPDES) permit. A copy of the NPDES permit and the associated Stormwater Pollution Prevention Plan shall be provided to the Municipal Services Director with the application for credit. No credits will be approved for stormwater discharged to facilities that are maintained and serviced by the stormwater utility.
  2. A credit of up to fifty percent (50%) may be approved for non-residential property for portions of on-site stormwater discharges to privately maintained stormwater systems that meet best management practices of the most current version of the *Stormwater Management Manual for Eastern Washington*, meet all City of Moses Lake requirements, and are approved by the Municipal Services Director.
  3. A credit of up to ten percent (10%) may be approved for non-residential property for portions of on-site stormwater discharges from roofs of non-residential buildings to privately maintained stormwater facilities that utilize a permissive rainwater harvesting system that complies with the Department of Ecology's requirements and is approved by the Municipal Services Director.
- E. Approval of credit shall be indicated by a credit application that is signed by the Municipal Services Director. Approved credits are effective for the first full month's billing cycle following the date of approval. Credits may be approved for multiple billing cycles, provided that conditions of approval are continuously met by the applicant. Credits are not retroactive to current or prior billings. Credits for future billing cycles may be revoked by the Municipal Services Director if on-site conditions change; if federal, state, or local regulations change such that on-site stormwater treatment facilities are no longer current or acceptable; or if the ordinance for stormwater is revised by City Council.
- F. The above stormwater rates will become effective May 1, 2011 ~~March 1, 2010~~.

Section 2. This ordinance shall take effect on May 1, 2011.

Adopted by the City Council and signed by its Mayor on March 22, 2011.

**Park Department**

**Wastewater Division**

**Stormwater Division**

Staff is preparing bid specifications for the above-mentioned equipment. This equipment was approved in the 2011 Capital Outlay Budget.

The compact utility tractor will replace Equipment #302, a 1997 John Deere 955 with 2,200 hours. This tractor is used for park maintenance during the summer and serves as a snow blower in the winter. Staff's estimate is \$40,000.

The 120 HP tractor will be used by the Wastewater Division to scarify the rapid infiltration basins at the treatment plants. Also, it will be used to provide PTO power to operate the portable Agi-Pump for mixing, pumping, and decanting operations in the storage basins. This is additional equipment, not a replacement. Staff's estimate is \$80,000.

The skid steer loader will be used by stormwater personnel to aerate storage piles and load material into the transfer container. This is additional equipment, not a replacement. Staff's estimate is \$38,000.

Specifications will be available for review in the Public Works Office.

SUBJECT: American Legion Riders Event Request

At their regular March meeting, the Moses Lake Parks & Recreation Commission reviewed information from George Doles representing the American Legion Riders. The group requested authorization to utilize McCosh Park on Friday, September 16<sup>th</sup>, 2011 for a National POW/MIA Remembrance Day event.

Upon review of their request and following discussion with Mr. Doles, the commission voted unanimously to recommend that city council approve his request to utilize McCosh Park for the event. It should be noted that this request includes the use of food vendors and a beer garden at the event. It is understood that the group must abide by all rules and regulations regarding food, beverage and alcohol sales and consumption at the event.

Thank you for your consideration.

Mr. Grigg,

The American Legion Riders of Moses Lake would like to hold an event on Sept. 16, 2011 (National POW / MIA Remembrance Day) at McCosh Park to honor those brave men and women from across the state of Washington who have served and/or are still serving as a POW / MIA.

This event would include people from across the state of Washington coming to Moses Lake and meeting at McCosh Park where we will be reading off the names of those who gave their freedom to protect ours.

We would like to use the area within McCosh Park to include, but not limited to, the peace monument and the ampatheater, where we would like to place an empty coffin to represent the unknowns who paid the ultimate price to insure our continued freedom.

I would like to attend the meeting on March 9, 2011 at 7p.m. to answer any further questions you may have regarding this event. Please find enclosed a copy of the event flyer. This flyer is a rough draft and the final version should vary only slightly showing any sponsors which we may be able to find in putting on this event.

The Legion Riders understand that we will need to have an insurance policy for this event and are in the process of obtaining such policy.

If you have any further questions please feel free to contact me at:

SUBJECT: The Sports Forum Request to Vend at Baseball Tournaments

We have been awarded three baseball tournaments this year by The Sports Forum. As is customary at these events, organizers would like to include sales of baseball oriented accessories to include t-shirts, sunglasses, batting gloves and other non-perishable items.

Staff reviewed this request and found no reason for concern. These items will not compete with our existing food and beverages services.

Thank you for your consideration.

Susan Schwiesow & Board Members;

The Sports Forum [www.thesportsforum.org](http://www.thesportsforum.org) is excited to be given the opportunity to host (3) three of our youth baseball tournaments within your beautiful city of Moses Lake. Following are our Moses Lake Tournament names/dates for the upcoming 2011 Baseball Season.

- May 6-8: MAY DAY MELTAWAY
- June 3-5: MOSES LAKE JUNE JAMBOREE
- July 29-31: SMASH & SPLASH (Aquatic Rental)

We cordially request that all our tournaments (above and in the future) be given the permission of vendor presence. Our vendor is self sufficient with a free standing (very nice) canopy, displays, and a wonderful rapport with our teams. He at no time, will require any assistance, nor rely on any facility amenities to maintain the aesthetic appeal of his vendor area (he would prefer plug-in availability). We demand professionalism at our tournaments not only in behavior, but appearance and organization. The items for sale will include such items as: Tournament T-Shirts, Baseball Sunglasses, Batting Gloves, as well as his much requested Glove Re-Lacing. He does not sell any perishable items. Our vendor truly is a huge benefit at our tournaments and our devoted teams continue to seek him out year after year. \*We look forward to working with you, and taking youth sports to a new level here in Moses Lake, WA.

Sincerely,

FROM: Erika Simmons, Target Zero Manager, Central Basin Traffic Safety Task Force  
RE: Variable Message Board for Child Car Seat Project

Mayor and City Council:

The Central Basin Traffic Safety Task Force is participating in the Child Car Seat Project, a grant from the Washington Traffic Safety Commission. This grant promotes the correct use of child car seats and parental adherence to Washington's Child Restraint Law through educational and enforcement avenues.

Motor vehicle crashes remains one of the leading causes of unintentional death to children ages 0-14 in Grant County, where an estimated 90% of car seats are used *incorrectly*.

Local law enforcement agencies, including Moses Lake PD, Ephrata PD, Quincy PD, Royal City PD, Warden PD, Othello PD, Washington State Patrol, Grant Co SO, and Adams Co SO, will be conducting emphasis patrols during the months of April, July, and September. Currently, they are conducting educational contacts with parents at local elementary schools during drop off or pick up times, handing out brochures. Advertising correct usage of car seats through media, air buy, and signage are important elements to our educational goals as well as to law enforcement support. We would like permission to have a variable message board put up at the Moses Lake Fire Department station, located on Broadway, during these enforcement times (April and July).

Thank you for your consideration!

Sincerely,

Erika Simmons
