Grant County Skill Center - Site Plan Review - Findings of Fact: Findings of Fact for the Grant County Skill Center Site Plan Review were presented for approval.

SIGNS

Gilbert Alvarado, Community Development Director, explained that the Council requested the Planning Commission study the issue of the use of feather or tear drop signs. These signs are attached to a pole and placed in the holes in the sidewalk. The holes were originally intended for use by the Boy Scouts to place the American flag on specific holidays. The Council was concerned about the number of signs that are put out by a business.

COLVILLE CONFEDERATED TRIBES

Gilbert Alvarado, Community Development Director, stated that the Colville Confederated Tribes provided the City with the Environmental Assessment. A Finding of No Significant Impact has been issued and the project is now in the comment period. The City will provide comments on several issues that the City is questioning. He mentioned that the Tribes have withdrawn the diesel fuel sales portion of the project.

The meeting was adjourned at 7:15 p.m.

Todd Voth, Planning Commission Chairman
