

PLANNING COMMISSION  
STUDY SESSION  
Shoreline Master Program  
July 11, 2013 - 8:20 p.m.

Commissioners Present: Todd Voth, Todd Lengenfelder, Vicki Heimark, Charles Hepburn, Nathan Nofziger, Rick Penhallurick, and David Eck

Staff Present: Gilbert Alvarado, Anne Henning, Billie Jo Muñoz, and Sue Mahaney

The study session was called to discuss the Cumulative Impacts Analysis.

Anne Henning, Senior Planner, distributed the cumulative impacts analysis, a recommendations memo, a summary of the cumulative impacts analysis, a summary of the recommendation document, information on the firm hired to do the analysis, a summary of the credit/debit method of wetland mitigation, and a map showing the buffer widths recommended.

Gilbert Alvarado, Community Development Director, stated that the City is working with the consultant to possibly have them at meetings of the Commission and Council when the Shoreline Master Program is discussed.

It was the consensus of the Commission to study the documents prior to any discussions.

The study session adjourned at 8:35 p.m.
