OLD BUSINESS

A: TAXIWAY CRACK SEAL & REPAIR:

About half way done with the crack sealing of the taxiways. Monty Dent got burned while crack sealing. Going to purchase a temp monitor for the Tar Pot. Need to look at getting volunteer workers registered with the city when they are doing any kind of volunteer work on city property.

B: GRANT STATUS:

No new information. Will check with city to see if there is any new information

C: MARTY SHAW FUEL SYSTEM:

This system is still in Ephrata. Jim Wilson's fuel system is in and they are getting ready to lay asphalt.

D: WEED CONTROL:

Tom Dent has been spraying weeds around taxiways and main runway. Monty Dent has been doing mowing around the entire airport. Attachments are included for the cost of the chemicals and Monty's time mowing.

NEW BUSINESS

A: DEPT. OF HOMELAND SECURITY

TRANSPORTATION SECURITY INSPECTOR: DAWN DOBSON

Inspection report to follow on next month's meeting minutes

B: OTHER: Possible Canvas Quonset hut for tractor and backhoe on airport. Surround with fence? Will talk to city about purchasing.

WSDOT meeting on 9-25-13 in Wenatchee at DOT HQ. Starts at 10:00am.

Need some fire extinguishers re-filled and serviced at the airport. Need to ask city who can come out to service these extinguishers.
