“Boundary Line Adjustment “means a division of land made for the purpose of alteration by adjusting boundary lines, between platted or unplatted lots or both, which does not create any additional lot, tract, parcel, site, or division nor create any lot, tract, parcel, site, or division which contains insufficient area and dimension to meet minimum requirement for width and area for a building site. A boundary line adjustment may also include an extinguishment of an existing lot line resulting in the merger of two or more lots into a single lot of record. See MLMC 17.42 for application provisions. Adjustments of property boundary lines are subject to the review process as set forth in MLMC 17.42. Applications shall be reviewed by the director and certified as meeting the requirements of this section within 30 days after receiving a complete application.

The Planning Division will be unable to accept your Boundary Line Adjustment Application Form if you fail to provide ALL of the following required material.
